Comments to Form SFEC-126 for José Cisneros, dated December 19, 2008

Link2Gov provides on-line and telephone payment services to the City and County of San Francisco. For the Treasurer's Office and some departments, the Link2Gov contract has no cost to the City. For other departments, the Link2Gov contract has a small per-transaction cost to the City of 0.07% of the transaction amount plus \$0.07 per transaction. However, Link2Gov is primarily compensated through fees passed on to users of the on-line payment system. Link2Gov's fees are capped at \$250,000, though the actual amount of compensation is dependent on the number of users. Although the cost to the City for this contract is unable to be determined, the value of the contract may exceed \$50,000. Therefore, this form is filed out of an abundance of caution.
