The Mayor reserves the right to argue that the Sheriff has waived his objections to the Flores testimony if those objections are not made in the manner and by the deadline set by the Commission.

Please find attached a summary of stipulations and remaining disputes regarding these declarations. If I have made any mistakes regarding this summary, we will confer further prior to tomorrow's hearing.

Also, please note that rather than file written points and authorities regarding the admissibility of the Flores transcripts, we intend to argue orally.

Regards,
Shepard Kopp
