***Note Re: Exhibit 82**

Pursuant to subpoena, the Mayor received telephone records from AT&T for Ross Mirkarimi's cell phone and Eliana Lopez's cell phone for the period December 31, 2011 through January 13, 2012. Those AT&T records were limited to certain telephone numbers authorized by the Court, in that they included only communications between Sheriff Mirkarimi's and Ms. Lopez's AT&T cell phone numbers, as well as their communications with telephone numbers associated with Linnette Peralta Haynes (cell phone), Ivory Madison (cell phone), Abraham Mertens (cell phone), the Madison/Mertens landline, and Callie Williams (cell phone). The records included the time and length of telephone calls. The records also included information that a text message was sent or received, but not the content of any text messages.

AT&T provided these records in electronic form (Excel) with a custodian of records declaration and a sheet explaining the codes used by AT&T in its records. We plan to submit these records in the form of a single combined Excel spreadsheet in chronological order, with telephone numbers redacted and names substituted for telephone numbers, and the terms "text message" and "phone call" for the codes used by AT&T.

1 We are sending a draft of this exhibit to Sheriff's counsel for their review for accuracy, and
2 will submit a confirmed accurate version with their input.

3
4 ****Note Re: Exhibit 83**

5 Exhibit 83 includes available information regarding text messages, emails, and telephone
6 calls made on January 4, 2012. It is a compilation of the information from the AT&T records
7 reflected in Exhibit 82, and the content of text messages and emails to the extent these are available,
8 from other exhibits.

9 We are sending a draft of this exhibit to Sheriff's counsel for their review for accuracy, and
10 will submit a confirmed accurate version with their input.

11
12 Per discussion with the Commission, the Mayor intends to submit excerpts of public
13 statements of the Sheriff and Ms. Lopez, if she testifies. The Mayor will identify and designate
14 those excerpts after the Sheriff and Ms. Lopez, if she is available, have testified.

15 The Mayor reserves the right to introduce additional exhibits as issues arise during the
16 course of these proceedings.
