ABOUT / PEOPLE

Robert S. Jones, P.E.

President, CEO

Mr. Jones is the Chief Operating Officer of Creegan + D'Angelo and maintains his office in Fairfield. After more than 25 years of extensive civil engineering experience in the planning, design and management of major land development and public works projects, Mr. Jones now guides the company's business development strategy and directs, administers and coordinates the business activities of the five regional Creegan + D'Angelo offices.

29 years of professional experience. Professional Engineer (Civil) / CA. BS, Civil Engineering, University of Santa Clara, 1979.

[BACK TO THE TOP](#)

Reinhard Ludke, S.E.

Vice President, Director of Business Development, Principal Engineer

Mr. Ludke is a Vice President of C+D and has managed major civil and structural design projects for more than 20 years.

His experience includes engineering management of high-rise buildings, earthquake engineering, existing building and structures seismic assessment and retrofit, long-span and standard highway bridges, railroad bridges and marine structures.

These projects have required a unique knowledge of structural behavior, dynamic analysis, finite element studies of complex offshore structure joints, fatigue studies and designing structures with a full range of construction materials.

Professional experience. Professional Engineer (Civil) / CA. Professional Engineer (Structural) / CA. BS, Civil Engineering, State University of New York, 1973. MS, Structure Engineering and Mechanics, University of California Berkeley, 1977.

BACK TO THE TOP

Mallika Ramachandran, P.E.

Vice President, Office Manager, Principal Civil Engineer

Ms. Ramachandran joined Creegan + D'Angelo in 2007 and is currently the Office Manager for the Pleasanton Office. She comes with a wealth of experience in the practice of Civil/Transportation Engineering, Environmental Management and Construction Management for both the private and public works sector. She is recognized for her strong leadership and managerial skills in the industry.

24 years of professional experience. Professional Engineer (P.E.). BS, Civil Engineering, University of Missouri at Rolla, 1984.

BACK TO THE TOP

Kenneth R. Swenson, P.E.

Vice President, Office Manager, Principal Civil Engineer

Mr. Swenson joined Creegan + D'Angelo in 1984 and is currently the Fairfield Office Engineering Manager and also directs the Northern Region Water Engineering Group.

Mr. Swenson directs projects related to water resources, water transportation, water system modeling, engineering, and expansion of storage reservoirs, tanks, and pumping stations. Ken also manages and supervises storm water analysis, grading and drainage engineering, flood plain and drainage basin maximum flow determination for projects that include new subdivisions, municipal public works rehabilitation, new pressure zones water storage and distribution, for transportation, public works and land development projects.

21 years of professional experience. Professional Engineer (Civil) / CA. AS, Construction Technology, Cabrillo College, Aptos, California, 1980. BS, Civil Engineering, California Polytechnic University, San Luis Obispo, CA, 1984.

[BACK TO THE TOP](#)

Richard G. Simonitch, P.E., P.L.S.

Vice President, Office Manager, Principal Civil Engineer

Mr. Simonitch's experience has focused on the design of land development and public works transportation projects; preparation of residential, commercial and school site grading; drainage and utility design and mapping; topographic surveys; CEQA determinations; Record of Surveys; Boundaries, and Final Maps.

20 years of professional experience. Professional Engineer (Civil) / CA. Professional Land Surveyor / CA. BS, Civil Engineering, San Diego State University, San Diego, California, 1985.

BACK TO THE TOP

David A. Wilson, P.E.

Vice President, Office Manager, Principal Engineer

Mr. Wilson joined Creegan + D'Angelo in 1999. He is a successful leader, engineer and project manager with over 20 years experience in engineering and design team management from 5 years as Vice President of Operations/Operations Manager at engineering consulting firm specializing in industrial engineering/design and project management; 5 years of entrepreneurial experience as owner of engineering consulting firm specializing in structural design; and 10 years as Project Manager and Senior Engineer at Pacific Gas & Electric Company specializing in all aspects of natural gas production, storage, gathering, transportation, and distribution systems.

24 years of professional experience. Professional Engineer (Civil) / CA. Professional Engineer (Civil) / HI. BS, Civil Engineering, University of California, Berkeley, 1979.

BACK TO THE TOP

F. William "Tad" Tobitt, P.E.

Special Consultant

Mr. Tobitt has accumulated more than 40 years of experience in general civil engineering projects including design, management and administration of major land development and public works projects.

His extensive technical and management experience includes a broad range of projects from small, infill residential and commercial projects up to large industrial size development, public transportation and public works projects involving major water systems, sewer systems, storm drainage, flood analysis and special assessment district studies.

42 years of professional experience. Professional Engineer (Civil) / CA, OR, NV. Professional Land Surveyor / OR. BS, Civil Engineering, University of the Pacific, Stockton, California, 1964. MS, Civil Engineering (Hydrology + Hydraulics), Stanford University, Palo Alto, California, 1966.

[BACK TO THE TOP](#)

Mark A. Kenning, P.E.

Special Consultant

Mr. Kenning is a Consultant at Creegan + D'Angelo. Mr. Kenning managed many of the Firm's major design projects and responsible for a variety of projects including industrial and commercial complexes, schools, municipal structures, highway interchanges, and water/sewage treatment facilities.

48 years of professional experience. Professional Engineer (Civil) / CA. Professional Engineer (Structural) / CA. BS, Civil Engineering, University of Santa Clara, 1958.

[BACK TO THE TOP](#)

Stanley Kulakow, P.E.

Special Consultant

Mr. Kulakow is a Special Consultant at Creegan + D'Angelo. He is responsible for project planning including environmental analysis, master planning, feasibility analysis and engineering design for storm drainage facilities including hydrologic and hydraulic analysis, wastewater systems, irrigation design and consultation, utilities, transportation facilities and site development projects. He works closely with each client to insure that project objectives and time schedules are accomplished.

52 years of professional experience. Professional Engineer (Civil) / CA, CO, IL, NV. Professional Land Surveyor / CA. BS, Earth Science, University of Wisconsin, 1953.

[BACK TO THE TOP](#)

Marianne S. Richardson

Marketing Coordinator

Ms. Richardson provides marketing support services to the 4 regional Creegan + D'Angelo offices. Marianne has been with C+D for more than 14 years, and works from the Fairfield Office location.
