VENDORS AND SUBCONTRACTORS

PRESCRIPTION BENEFITS ADMINISTRATION

Medco Health Solutions, Inc. (Medco) is our business partner in the administration of our pharmacy program. While UnitedHealthcare Pharmacy directs all key aspects of the pharmacy benefit program, we have contracted with Medco to outsource general program administration, including retail network management, since 2000.

NETWORK LEASING

UnitedHealthcare owns the majority of networks we use for providing health care coverage. However, we use leased or vendor networks where it is not feasible to develop our own network. Vendor networks must comply with the same quality standards we use for our own networks. Vendor network compensation varies based on market demands and the customary practices of the local marketplace. We retain responsibility for claim processing. In addition, we oversee all quality issues, including quality control of the physicians and other health care professionals in the network.

OVERPAYMENT IDENTIFICATION VENDORS

We contract with a number of vendors to identify overpayments. These vendors perform a variety of audits, including, but not limited to, credit balance, data mining, COB, contract audits, DRG audits, workers' compensation and subrogation. Generally, these vendors do not perform collections on the overpayments they identify in an effort to reduce the number of vendors approaching physicians. A collection vendor is assigned to collect these overpayments.

OVERPAYMENT COLLECTION VENDORS

We contract with a number of vendors to collect overpayments that are identified internally or from an overpayment identification vendor. Overpayment collection vendors are responsible for sending out the initial overpayment notification letter and will follow up with the physician on outstanding balances through phone calls or subsequent recovery letters. These vendors assist with the resolution of physician disputes/appeals.

MATERNITY MANAGEMENT

We subcontract with Alere (formerly Matria Healthcare) to provide portions of our Healthy Pregnancy Program (HPP). We do use an outside vendor for external review on selected cases.

SHARED SAVINGS PROGRAM

We use Viant, Three Rivers Physician's Network, First Health Networks and MultiPlan's national network of hospitals, physicians and other health care professionals to provide discounts to our customers for non-network claims through our Shared Savings Program (SSP).

HEALTH INFORMATION

Various internal and external sources provide health content to our member Web site, myuhc.com. Each resource maintains relationships with various health professionals who write, edit and review the content created for the site. We screen each vendor for accuracy and independence of content.

SURVEYS

We conduct an annual satisfaction survey based upon the HEDIS 3.0 standards.

Administration of the CAHPS survey is a joint effort between the Survey Research Studies division of OptumInsight (a UnitedHealth Group company) and the Center for the Study of Services (CSS). CSS is certified by NCQA as a CAHPS survey vendor.

SOCIAL SECURITY ADVOCACY ASSISTANCE

Social Security advocacy assistance is provided through another vendor. Claim specialists are trained to educate, guide and monitor the application process for Social Security disability benefits. We then consider offering assistance through Social Security Law Group.

ID CARDS

Our member medical ID cards are produced by Fiserv Output Solutions, a business unit of Fiserv, Inc. Fiserv, headquartered in Stafford, Texas, is a provider of business-critical communications to the financial services, health care, telecommunications, investment services and retail markets.

LEGAL

We will be responsible for holding our vendors to the same standards and requirements to which we agree. We will accept responsibility to the extent that our subcontracted vendor fails to meet any contractual obligation assumed by us.

- 5. There are no political committees sponsored or controlled by the contractor.
