

How to Request A NetFile Password

Whether you're a new user or you've simply forgotten your password, here's how to obtain a new system-generated password.

- 1 Go to the Ethics Commission website (sfethics.org.) Under "E-File Statements," click "Log in."
- 2 Click "New User? Request a Password."
- 3 Enter your e-mail address.
- 4 NetFile will e-mail you a link.
- 5 Open your e-mail and click on the link you were sent.
- 6 NetFile will generate a new password for you.
- 7 Go back to the NetFile User Log In page, and log in using your new password.
- 8 Once you log in, you have the option to change your system-generated password. (The link is on the right, at the bottom)
- 9 Enter and confirm your new password.
