**Date:** February 13, 2018

**To:** Members of the Ethics Commission

**From:** Kyle Kundert, Senior Policy Analyst

**Re:** **AGENDA ITEM 7– Policy Report for the February 16, 2018 Meeting, Including Commission’s Policy Plan and Legislative Tracker**

---

**Summary:** This memorandum provides updates on ongoing policy initiatives, legislation, and upcoming projects to assist the Commission, the public, and Staff in addressing planned policy projects for the year. It includes the Annual Policy Plan as Attachment 1, updated for the month of February.

**Action Requested:** That the Commission review its planned and pending policy projects and take action to provide any further direction it may have regarding the priority level or scope of those projects.

As a reminder, the Commission’s policy and legislative work is categorized into two sections.

*Section I* provides brief status reports about ongoing policy initiatives currently before the Commission, or that already have been acted on by the Commission. Where noted, these items also appear as a separate item on the Commission’s monthly agenda. Items noted in Section I are provided for informational purposes only and require no action by the Commission.

*Section II* is designed to inform the Commission about other planned or pending policy matters, or newly emerging items, to enable it to focus on the relative priority level or scope it desires for a particular issue or set of issues. Given the broad number of policy discussions that can be underway at any given time, Commission action to clarify its sense of priority for these items can be useful for planning purposes and to set expectations for when Staff and Commission action on those matters may be feasible.

Where applicable, individual items may include a Staff recommendation to assist the Commission in determining how it would like to see items sequenced for its review and action.

## I. Ongoing Policy Initiatives

**2017 San Francisco Anti-Corruption and Accountability Ordinance (“Ordinance”).** This item appears as agenda item 4 in this month’s meeting materials.

**Form 700 – Non-voting Ordinance.** The Commission voted to amend and approve the ordinance at its August meeting, and the ordinance was introduced at the Board of Supervisors by Supervisor Peskin on October 3, 2017. Commission Staff proposed a further technical modification to the introduced ordinance to ensure that the Commission would maintain an updated database on its website regarding SEI filings. The technical modification was accepted and the legislation reintroduced, by Supervisor Peskin, on October 31, 2017. The ordinance was assigned to the Rules Committee and will be heard in committee on February 14, 2018.

**Whistleblower Ordinance.** This item appears as agenda item 5 in this month’s meeting materials.

## II. Planned and Pending Policy Projects

### A. Legislation

- 1) **Supervisor Cohen Legislation** (File No. 170738). Supervisor Cohen introduced legislation on June 13, 2017 that would require the Commission to accept disclosures and enforce rules related to spending in races for the elected positions on the Health Services Board, Retirement Board and Retiree Health Care Trust Fund Board. On September 11, Staff sent a letter of comment to the Clerk of the Rules Committee conveying overall support of the intent and purpose of the legislation but also providing some considerations for the Board of Supervisors to strengthen the proposals, its implementation, and enforcement. At its September 13 meeting, the Rules Committee voted to continue the matter. Staff confirmed, the week of January 8, 2018, that the legislation is still pending re-drafting by the City Attorney’s based on Staff’s letter of September 11.

*Recommendation: No action necessary. Staff is monitoring.*

- 2) **Supervisor Kim Legislation** (File No. 170868): At its regular meeting on November 27, 2017, the Commission heard a presentation by Supervisor Kim presenting her campaign finance legislation (File No. [170868](#)). Staff, at the request and approval of Chair Keane and Vice-Chair Chiu, submitted to Supervisor Kim, on December 29, 2017, a letter outlining the Commission’s research, issues, and open questions with the current version of the ordinance. Commission Staff is continuing to monitor the legislation and is working with the Supervisor’s office to schedule in-person meetings related to Staff’s memorandum.

*Recommendation: No action necessary. Staff is monitoring.*

### B. Other Planned Projects

Per the Commission's Annual Policy Plan during calendar year 2018, Staff are preparing to begin three longer-term projects needed to update and improve various sections of the Campaign & Governmental Conduct Code and accompanying regulations that underpin several core programs and operations. As planned, these projects will run simultaneously to one another:

- 1) **Review of Conflict of Interest Code.** This project is planned to ensure key areas within the Conflict-of-Interest Code can be updated and strengthened. Most likely, this project will culminate in a proposed conflict-of-interest ordinance that Staff will present to the Commission.
- 2) **Review of Campaign Finance Reform Ordinance Regulations.** Regulations that interpret and implement CFRO are necessary to update and strengthen those regulations. This project will also likely include identifying and developing regulations to carry out the new requirements proposed in the Commission's *Anti-Corruption and Accountability Ordinance*, in the event that that ordinance becomes law. Most likely, this project will culminate in a set of regulations that Staff will present to the Commission. This project will begin on April 1, 2018.
- 3) **Review of the City's Public Financing System.** Analysis of the City's public financing system is needed to determine what updates and improvements could improve candidate participation and therefore better support the policy goals for which it was established. Per the Commission's policy directive in November, this review will include a review of provisions that address the possible misuse of public financing. This project began on February 1, 2018.

*Recommendation: That the Commission proceed with these scheduled policy reviews to ensure it can formulate policy positions on these matters in early 2018.*

### **C. Recently Identified Policy Projects**

Several additional projects have been identified by the Commission as matters of interest to be added to the Commission's policy agenda. They are:

- 1) **Social Media and Election Integrity.** At the December meeting, Commission Staff updated the Commission on its progress in reviewing current issues related to the use of social media in elections. The Commission relayed at the December meeting that they would like Staff to continue its research on this issue and potentially convene a forum of subject matter experts to discuss this issue further. Staff has begun compiling background information and has prepared an update at the Commission February meeting.

*Recommendation: No action necessary. Staff continues to contact interested persons, subject matter experts and review relevant research.*

- 2) **Independent City Attorney.** At the November meeting, The Commissioner approved a recommendation to be updated on Staff's research and review of this item for the March Commission meeting.

*Recommendation: Staff will update the Commission at their March 2018 meeting.*

Local	<a href="#">File No. 170738</a>	Supervisor Cohen	6/13/2017		Pending Committee Action	Ordinance amending the Administrative Code to require disclosure of candidate and third-party spending in Retirement Board, Health Service Board and Retiree Health Care Trust Fund Board elections ["Trustee Elections"]; set late filing fees and penalties for violations;
State	<a href="#">AB 664</a>	Steinorth	2/14/2017		1/11/2018 - Read second time and amended.	Would prohibit a parent, grandparent, sibling, child, or grandchild of an elected officer or a candidate for elective office from receiving, in exchange for goods, services, facilities, or anything of value other than money rendered, compensation from campaign funds held by a controlled committee of that officer or candidate which exceeds the fair market value of that item.
State	<a href="#">AB 774</a>	Harper	2/15/2017		Reconsideration granted - No date set	The Political Reform Act of 1974 prohibits a foreign government or principal, as defined, from making a contribution or expenditure in connection with a ballot measure. The act also prohibits a person or committee from soliciting or accepting a contribution from a foreign government or principal for this purpose. This bill would expand the scope of these prohibitions by also prohibiting a government, principal, or national from making a contribution or expenditure, and a person or committee from soliciting or accepting this type of contribution, in connection with an election.
State	<a href="#">AB 1524</a>	Brough	2/17/2017		Reconsideration granted - No date set	Would prohibit, within 90 days preceding an election, the sending of a mass mailing by either (1) a candidate, or on his or her behalf, if the candidate's name will be on the ballot at that election, or (2) an agency, if a measure on the ballot at that election will have a direct financial impact on the agency, except as specified. This bill contains other related provisions and other existing laws.
State	<a href="#">SB 529</a>	Nguyen	2/16/2017		Reconsideration granted - No date set	Current law requires filing officers to hold nomination documents and signatures in lieu of filing fee petitions for a specified time. Current law limits public access to these documents and allows only for the public to view them. This bill would require that nomination documents and signatures in lieu of filing fee petitions be furnished promptly upon request, and it would clarify that a member of the public need not request these records pursuant to the California Public Records Act.
