Re: **AGENDA ITEM 8 – Presentation, discussion, and possible action on proposal regarding a possible June 2022 ballot measure and regulation amendments to enact recommendations from Government Ethics and Conflict of Interest Review Project.**

Summary

At the Commission's December 10th, 2021 regular meeting, Staff presented a draft ballot measure and regulation amendments, which would enact the recommendations contained in the last three reports delivered as part of the Commission's ongoing review of the City's ethics laws. These reports concern Gifts to Individuals (Phase II.A), Gifts through City Departments (Phase II.B), and Strengthening Essential Ethics Provisions (Phase III). The recommendations contained in these reports, which would be enacted by the proposed ballot measure and draft regulations, are important steps towards addressing demonstrated shortcomings in the City's ethics laws and helping to prevent future acts of corruption like those alleged in the ongoing federal corruption investigation.

Due to the required and ongoing meet and confer process, the Commission was unable to act on these recommendations during the Commission meetings on December 10th, January 14th, and January 21st. Staff has continued engaging with stakeholders and has produced updated versions of the ordinance that constitutes the proposed measure (Attachment 1) and the regulation amendments (Attachment 2).

For ease of reference, a condensed version of the measure has also been provided in Attachment 3, to illustrate only the Code sections actually being changed and excluding sections that are just being reauthorized as they already appear in the Code. Attachment 4 contains a chart detailing each Code section and regulation being amended, added, or deleted through the proposed ordinance and regulation amendments.

The proposed revision to the ordinance that emerged from the ongoing meet and confer process is detailed in Attachment 5 and the three changes to the regulation amendments generated by the meet and confer process are detailed in Attachment 6.

Action Requested

Should the meet and confer process be successfully concluded prior to the Commission's meeting on February 11th, Staff recommends that the Commission vote on February 11th to place the proposed measure on the ballot for the June 7th, 2022 election. The amended regulations would then be noticed for action at a subsequent meeting. Any changes to the proposed measure or regulations that are agreed to as a condition of closing the meet and confer process would need to be reflected in any

version of the measure or regulations that the Commission were to vote on at this meeting or a subsequent meeting.

I. Background

In January 2020, the U.S. Department of Justice began to bring criminal corruption charges against multiple City officials, employees, and contractors. These charges allege numerous instances in which individuals seeking favorable outcomes from City government provided things of value to City officials in an attempt to influence the actions of those officials.

In response, the Ethics Commission embarked on a comprehensive review of the City's ethics laws to ensure that the types of conduct alleged in the criminal complaints are appropriately prohibited and deterred by City law and that any other relevant weaknesses identified in the laws can be addressed and the laws strengthened.

The City's ethics laws were created to "assure that the governmental processes of the City and County promote fairness and equity for all residents and to maintain public trust in governmental institutions."¹ The current project is necessary to ensure that the law continues to serve these purposes.

The first phase of the project focused on behested payments, payments that are made at the behest of a government official to a third party.² This phase of the project resulted in legislation passed by the Board of Supervisors in December 2021 that prohibits all City officials and employees who are required to file the From 700 Statement of Economic Interests from soliciting behested payments from those who have official business before their department or who have otherwise sought to influence them.³

The second and third phases of the project focused on gifts made directly to City officials,⁴ gifts made through City departments,⁵ and other essential ethics provisions.⁶ Based on the research in these reports, Staff in December presented a draft ballot measure, the most recent version of which is attached to this memorandum as Attachment 1 and draft regulation amendments, the most recent version of which is attached to this memorandum as Attachment 2. These changes to the law would bring needed reforms to strengthen the City's ethics laws. They would:

Phase II – Gifts

- Create a definition of *gift* in the Campaign and Governmental Conduct Code.
 - Regulations would include certain state law gift exceptions but omit those that undermine the purposes of the restricted source rule.
 - Regulations containing local exceptions to the restricted source rule would be amended.
- Expand the application of the restricted source rule to prohibit other aspects of a gift transaction beyond the receipt or solicitation of the gift by an official, including:

¹ Campaign & Gov. Conduct Code § 3.200(a).

² [Phase I Report: Behested Payments](#).

³ See SAN FRANCISCO BOARD OF SUPERVISORS, [File No. 201132](#).

⁴ [Report on Gift Laws Part A: Gifts to Individuals](#) (Phase II.A).

⁵ [Report on Gift Laws Part B: Gifts to City Departments](#) (Phase II.B).

⁶ [Report on Strengthening Essential Ethics Provisions](#) (Phase III).

- Restricted sources giving gifts to an official or the immediate family members of an official (and officials soliciting such gifts).
- The use of an intermediary by the source or recipient of a gift to circumvent the restricted source rule.
- Any person or organization acting as an intermediary for a restricted source gift.
- Any official accepting anything from a City department or non-City organization or person that bestows a personal benefit on the official if the official knows or has reason to know that the true source of the gift is a restricted source.
- Clarify how the restricted source rule applies to City contractors.
- Amend the restricted source rule to explicitly apply to individuals and entities that apply for or obtain a permit, license, or other entitlement for use from a City department.
- Amend the restricted source rule to explicitly apply the rule to affiliates (directors, officers, and major shareholders) of an entity that is a restricted source.
- Prohibit gifts from permit expeditors to officials and employees in departments that issue permits.
- Create a single, standardized disclosure requirement for payments to City departments.
- Amend regulations containing exceptions to the rule against gifts from subordinates.

Phase III – Essential Ethics Provisions

- Strengthen San Francisco's bribery rule by incorporating elements of the federal bribery rule.
- Strengthen the requirement that a City official disclose any personal, professional, or business relationship with persons involved in a government decision the official will make.
- Extend the annual ethics training requirement to all Form 700 filers.
- Codify rules contained in departmental Statements of Incompatible Activities into the Code and discontinue departmental Statements of Incompatible Activities.
- Standardize penalty provisions to make it clear that all violations of the Code are punishable and that proving a particular mental state is not required.
- Protect ethics laws from legislative amendments by requiring approvals by a supermajority of the Ethics Commission and Board of Supervisors for legislative amendments.
- Add a general provision that allows the Commission to require electronic filing of public disclosures.

II. Meet and Confer Ongoing

State law requires that the City meet and confer with employee bargaining units prior to undertaking certain actions that would impact City employees. The Department of Human Resources and City Attorney's Office have advised that the Commission must meet and confer with employee bargaining units before taking action on the proposed ballot measure and regulation amendments.

The Department of Human Resources distributed the text of the measure and regulations to employee unions on November 10th. On November 17th, Staff met with Municipal Executives Association (MEA) regarding the proposals. On December 9th, the Department of Human Resources distributed a closeout notice to employee unions stating that because no questions or concerns had been received since the November 17th meeting, the meet and confer process was concluded. Later on December 9th, MEA

notified DHR and the Commission that the union wished to continue the meet and confer process. In light of this, the City Attorney's Office and DHR advised that the Commission not vote on the proposals at its meetings on December 10th, January 14th, and January 21st.

To date, the MEA and its members have only raised four clear issues through the meet and confer process, which staff have responded to with four proposed amendments, just one of which requires an amendment to the ordinance that constitutes the proposed ballot measure. This proposed change to the ordinance can be found in Attachment 5. The three other revisions from the meet and confer process would be made to the regulations and are described in Attachment 6.

As of February 7th, the meet and confer process has not been concluded and Staff are working with the Department of Human Resources to schedule a fourth meeting on these proposals with the Municipal Executives Association (MEA). Should the meet and confer process remain ongoing at the time of the February 11th regular meeting, it is likely that the City Attorney's Office and DHR would again advise that the Commission not vote on the proposals at that time.

III. Stakeholder Feedback and Revised Recommendations

Following the Commission meetings on December 10th, January 14th, and January 21st, Staff reached out representatives from City departments and individuals from nonprofit organizations who provided public comment for those meetings. During the meetings in January, the Commission received public comment from eight individuals associated with nonprofit organizations. Staff contacted each of the individuals and offered to meet with them individually. Thus far, staff has met with six of these individuals from nonprofit organizations and will be meeting with a seventh on February 7th.

In response to concerns raised by individuals associated with nonprofit groups, Staff clarified what the proposed changes would and would not do. Many of these clarifications are addressed in the [Frequently Asked Questions](#) document published by Staff on January 19th. Three of the main points of clarification discussed were:

- 1. That the proposals would establish additional reporting requirements for nonprofit organizations.** Some individuals associated with nonprofit groups were under the impression that these reforms would require new disclosures, reporting, or other additional paperwork from non-City organizations. Staff clarified that this is not the case; the proposed measure and regulation changes do not impose any additional filing requirements on non-City organizations.
- 2. That things freely available to the public would be considered gifts for the purposes of the restricted source rule.** Concern was expressed that City officials might not be able to participate in free community events and accept refreshments, small trinkets, or other items that are available to the public, if the source is a restricted source for that official. Staff clarified that this is not the case. So long as the offering is free and available to the public, without regard to the City official's status as a City official, this would not be considered a gift that would be prohibited by the restricted source rule.
- 3. That City officials would always be unable to accept free attendance to ticketed events hosted by restricted sources.** Individuals from the nonprofit community shared how

important they believe it is for City officials to be able to attend the events that they host, even if they are a restricted source for that official. Staff clarified that there are already exemptions to the restricted source rule that allow for tickets to be given if the City official is giving a speech or performing a ceremonial role at the event. Staff is also recommending a third exemption that would allow City officials to accept tickets to nonprofit fundraisers and a fourth exemption that would allow City officials to accept tickets to arts and other entertainment events, so long as their attendance is necessary to carry out their official duties. Beyond these exceptions, it would also not be a violation of the restricted source rule if the official were to purchase a ticket to these events or if the City were to purchase a ticket for the official to use.

Revisions Made to Proposed Ballot Measure

Informed by this stakeholder engagement, what is known of the issues being raised via the meet and confer process, and feedback from the Commission, Staff has revised the proposed measure and regulations. A table detailing the changes made in this new version can be found below in Table 1.

Table 1: Changes Made to Proposed Ballot Measure, Reflected in Attachment 1

Section Amended	Description of Change Made
2.115	<i>Non-substantive.</i> The subsection covering regulations had been mis-lettered as “(h)” – it has been corrected to now be “(g).”
2.155	<i>Non-substantive.</i> This chapter is being reauthorized in its entirety in order to amend the amendment provisions of the chapter. This section previously misreferenced the “Board of Supervisors” as taking action. This reference to the Board has been replaced with language specifying that the “voters” would be the ones reauthorizing the chapter if the measure were to pass, not the Board of Supervisors.
3.1-102	<i>Non-substantive.</i> Per Commissioner suggestion, a penalty provision was added directly to this section. In the previous version, this section used the penalty provision found in SEC. 3.242.
3.1-102.5(c)	<i>Non-substantive.</i> Per Commissioner suggestion, a penalty provision was added to this subsection. In the previous version, this section used the penalty provision found in SEC. 3.242. The previous version also associated penalties with subsections (a) and (b), when they should have been associated with (c).
3.203	<i>Clarifying.</i> Per the Deputy City Attorney’s recommendation, the definition of “anything of value” is amended to exclude campaign contributions.
3.216(a)	<i>Clarifying.</i> Per the Deputy City Attorney’s recommendation, the bribery rule is amended to specify that campaign contributions can be considered a bribe.
3.216(b)(4)	<i>Clarifying.</i> Added clarifying language to prohibit a restricted source from directing another person to make a gift to a restricted source. This change clearly prohibits a restricted source

	from directing an entity to make a gift to a City official if they are a restricted source for that official.
3.216(b)(6)	<i>Clarifying.</i> Per Commissioner suggestion, this subsection was amended to explicitly prohibit the use of a payment by an intermediary, not just the acceptance of the gift by the intermediary.
3.217	<i>Substantive – Prior penalty removed.</i> As a proposal to address concerns raised through the meet and confer process, the language subjecting department heads to administrative penalties for failure to comply with this section has been removed. However, the department head’s appointing authority may still impose discipline for failure to comply with the disclosure requirement in this section.
3.218(a)(1)	<i>Substantive – New exemption.</i> Per Commissioner suggestion, the prohibition on City officials engaging in activities subject to their department’s jurisdiction has been amended to exempt non-compensated, volunteer activity for nonprofit organizations.
3.218(a)(3)	<i>Clarifying.</i> Language added to the prohibition on City officials use of City resources, to specify that this prohibition does not prohibit the otherwise allowable use of City resources for collective bargaining purposes.
3.218(a)(5)	<i>Clarifying.</i> Language added to the prohibition on City officials use of City work product, to specify that this prohibition does not prohibit the otherwise allowable use of City work product for collective bargaining purposes.
3.242	<i>Clarifying.</i> Per Commissioner suggestion, the penalty language in this section was clarified to apply to all of Chapter 2, not just to violations of “the City’s conflict of interest and governmental ethics laws.”
3.420	<i>Non-substantive.</i> The previous version of this section was being reauthorized as it currently appears in the Code, however this section dealt with the filing of reports by the Ethics Commission in 2016 and 2017 on the implementation the Chapter. This language is no longer necessary, and the section on electronic filing of disclosures (in 3.425 in the previous draft ordinance) now appears in 3.420.
3.425	<i>Non-substantive.</i> Section no longer needing, as the content of this section (on electronic filing) has been moved to 3.420.

To aid in the Commission’s discussion of the proposals at present, the following documents have been prepared by staff for this agenda item:

- The revised ordinance that incorporates the changes detailed above can be found in Attachment 1.
- A condensed version of the ordinance has been provided in Attachment 3. This version of the ordinance has been condensed to only show the Code sections that would actually be changed if

the ordinance went into effect. This version was produced in response to feedback that the 126-page ordinance was too long and difficult to review. Much of the ordinance's length can be attributed to the need for certain chapters to be completely stricken out and subsequently reauthorized in their entirety.⁷ The condensed version removes sections that are being stricken and reauthorized unchanged, resulting in a version that is only 35-pages long. This version is intended as a discussion tool and to make it easier for readers to understand exactly what would and would not be changed should the measure be enacted. The full version of the ordinance is presented in Attachment 1 and is the version that the Commission would potentially be acting on and placing before voters.

- A chart listing each Code section being amended, added, or deleted through the ordinance has been provided in Attachment 4. The chart is intended to be a discussion tool that can be used with either the condensed or full versions of the ordinance, to provide context for the proposed changes brought by the ordinance.

Revisions Made to Proposed Regulation Amendments

A table detailing the changes made to the draft regulations can be found below in Table 2. The revised regulation amendments can be viewed in their entirety in Attachment 2.

Table 2: Changes Made to Current Draft of Proposed Regulation Amendments, Reflected in Attachment 2

Regulation Amended	Description of Change Made
3.216(b)-2	<i>Clarifying.</i> Regulation defining “knowingly attempted to influence the officer or employee in any legislative or administrative action” is shown amended to clarify that comments “made at a public forum or rally” and those “made via petition or social” are not considered attempts to influence for the purpose of the restricted source rule. Individuals from nonprofit organizations felt it was important to explicitly exempt these types of communication from the definition of attempt to influence.
3.216(b)-5(a)	<i>Substantive – Exemption broadened.</i> Revises the proposed gift exemption for routine office courtesies, by raising the aggregate value to \$15 or less per occasion. This was done in response to concerns raised by members of nonprofit organizations that the \$10 exemption initially proposed was too low.
3.216(b)-5(m)	<i>Substantive – Exemption added.</i> Adds a gift exemption for tickets to fundraiser events hosted by nonprofit organizations, so long as event attendance is necessary for the official to carry out their City duties. This exemption came out of concerns raised through the meet and confer process, as well as by individuals from nonprofit organizations.
3.216(b)-5(n)	<i>Substantive – Exemption added.</i>

⁷ The City Attorney's Office has instructed Staff that chapters where a legislative amendment provision is being added must be fully stricken out and restated, even sections that are being reauthorized with text identical to what is currently in the Code. The full reauthorization of Article I, Chapter 5 is not necessary since this chapter can currently only be amended by the voters.

	Adds a gift exemption for tickets to arts exhibits, performances, athletic events, and sporting events, so long as event attendance is necessary for the official to carry out their City duties. This exemption came out of concerns raised through the meet and confer process, as well as by individuals from nonprofit organizations.
3.216(b)-5(o)	<i>Substantive – Exemption added.</i> Adds a gift exemption for personalized plaques or trophies, valued at less than \$250, limited to one per year, per restricted source. Individuals from nonprofit organizations expressed the importance of being able to occasionally give such gifts to City officials.
3.216(b)-6	<i>Substantive.</i> Specifies that the application for approval of a license, permit, or other entitlement for use shall not be deemed “doing business with the department” if the approval of such item is solely ministerial, secretarial, manual, or clerical. This regulation came out of concerns raised through the meet and confer process.

The revised ordinance and regulation amendments address the main concerns raised through the meet and confer process, meetings with individual City departments, and discussions with members of the nonprofit community. Additionally, the revised versions incorporate suggested revisions from the Commission.

Consideration of Proposed Liability for Giving of Impermissible Restricted Source Gifts

At the Commission’s January 21st special meeting, Commissioner Finlev expressed concern with the proposed change to the restricted source rule in Section 3.216(b)(4), which prohibits the *giving* of gifts by the restricted source (not just the solicitation and acceptance of the gift by a City official). The concern presented was that non-City persons who might not have knowledge of or reason to know about City gift laws, could unintentionally violate the restricted source rule by giving a gift and then be subject to administrative penalties for that action.

Enactment of any new rules brings with it the need to provide sufficient outreach and education about their application and potential impact. For rules that apply to persons whose activities may not have previously been regulated that need is particularly important to help support compliance and avoid unintentional violations of the law. In implementing the proposed provisions if enacted, these educational and outreach activities would be pursued using both existing touch points – such as through communications developed for use in materials routinely shared by city contracting entities with contract bidders and grantees – as well as FAQs and other outreach for direct communications and training by our office as part of the Ethics@Work program currently in development.

Prohibiting the giving of gifts from restricted sources would not be the first instance of the City’s ethics rules regulating the behavior of non-City persons. The City already prohibits lobbyists from giving gifts⁸ and contractors from making campaign contributions to those who have approved or would approve their contracts.⁹ Information on the prohibition on gifts from lobbyists is communicated in manuals and

⁸ Campaign & Gov. Conduct Code §§ 2.115(a)

⁹ Campaign & Gov. Conduct Code §§ 1.126(b)

fact sheets provided by the Ethics Commission.¹⁰ Information on the contribution limitations for contractors is included in the City's contract templates provided by the Office of Contract Administration (OCA).¹¹ The Campaign and Governmental Conduct Code also extends whistleblower protections to City contractors, which requires Commission Staff to already engage with City contractors. As the City already has experience working with non-City persons who are subject to City rules and protections, the necessary compliance work associated with expanding the restricted source rule to prohibit the giving of gifts should be less challenging, should the Commission wish to keep this prohibition as proposed.

The Commission could elect to remove the prohibition against giving gifts to restricted sources entirely from the proposed measure. This would leave liability only for City officials for soliciting or accepting gifts from restricted sources, and no liability for the restricted source gift giver. If this option is desired, revisions would need to be made to maintain the current prohibition against lobbyists giving gifts. The proposed ordinance folds the current rule prohibiting lobbyists from giving gifts into the restricted source rule. In order to avoid unintentionally rolling back the prohibition on lobbyist gift giving, the measure would need to be revised. Additionally, Staff would strongly recommend that permit consultants also be prohibited from giving gifts, just as lobbyists are under current law.

A third option would be to amend the proposed prohibition on giving gifts so that it applies directly to only the restricted source, but not to affiliates of the restricted source. This solution would seek to address concerns about individuals inadvertently violating the law, by narrowing the giving prohibition to just the person doing business or seeking to do business with City. With this option, if an entity had a contract with a City department, the entity would still be prohibited from giving gifts to City officials in the department they are contracting with, however the affiliates of that entity (the senior leadership, board members, etc.) would not be prohibited from giving under the restricted source. This option would apply the giving prohibition only to those persons and entities directly doing business with the City, while not opening up affiliates who are potentially unaware of their entity's City business to possible penalties for gifts they might give.

To summarize the options presented above, the Commission could address this issue by:

1. **Prohibiting the giving of gifts by restricted sources and their affiliates.** This is what the ordinance would do as currently drafted.
2. **Not prohibiting the giving of gifts by restricted sources and their affiliates.** If this option were pursued, the ordinance would need to be revised to maintain the prohibition on lobbyists giving gifts. Also, Staff would strongly recommend that the proposed prohibition on gifts from permit consultants also be retained, so that permit consultants giving gifts are prohibited as lobbyists giving gifts is under current law.

¹⁰ See: [Lobbyists Trainings and Resources](#)

¹¹ See: Multi-Year Direct Contracting: Checklists & Templates

3. **Prohibiting the giving of gifts by restricted sources, but not by their affiliates.** This option would revise the ordinance to prohibit giving by the restricted source, but not by the restricted source's affiliates (senior leadership, board members, etc.).

Following direction from the Commission, should options two or three above be desired, Staff can work with the City Attorney's Office to produce a revised ordinance that reflects the desired changes.

IV. Next Steps

If the meet and confer process concludes before the Commission's regular meeting on February 11th, 2022, Staff recommends that the Commission vote to approve the draft ballot measure subject to the changes that Staff have proposed through the meet and confer process. The MEA is proposing next meeting on February 16th, however Staff and DHR are pushing for an earlier meeting. If agreement to close meet and confer is reached before February 11st, Staff will seek to present language to implement the proposed changes to the Commission at the February 11st meeting for the Commission's consideration. The amended regulations would need to be voted on during a subsequent meeting, so that the required notice can be given to the public before that vote.

However, if the meet and confer process is ongoing, it is likely that the City Attorney's Office and DHR would again advise that the Commission not take action on the proposals at its February 11st regular meeting. Staff's recommendation in this case would be for the Commission to provide feedback on the revised measure and regulations contained in Attachment 1 and Attachment 2, discuss the options for addressing concerns raised regarding the prohibition on restricted sources giving gifts, and to continue any action on the ballot measure and regulations to its next scheduled meeting on March 11th, 2022. However, this would be past the deadline to place the measure on the June ballot, leaving the November ballot as the next opportunity for the voters to potentially decide on this package of reforms.

Should the meet and confer process be concluded after the February 11th meeting, but before the March 4th deadline to place the measure on the June ballot, there might be time for the Commission to hold a special meeting in order to vote on placing the item on the June ballot. In this situation, Staff would recommend a special meeting called to act on placing the measure on the June ballot.

10 **SEC. 2.100. FINDINGS.**

11 (a) The Board of Supervisors finds that public disclosure of the identity and extent of efforts of
12 lobbyists to influence decision-making regarding local legislative and administrative matters is
13 essential to protect public confidence in the responsiveness and representative nature of government
14 officials and institutions. It is the purpose and intent of the Board of Supervisors to impose reasonable
15 registration and disclosure requirements to reveal information about lobbyists' efforts to influence
16 decision-making regarding local legislative and administrative matters.

17 (b) To increase public confidence in the fairness and responsiveness of governmental decision
18 making, it is the further purpose and intent of the people of the City and County of San Francisco to
19 restrict gifts, campaign contributions, and bundled campaign contributions from lobbyists to City
20 officers so that governmental decisions are not, and do not appear to be, influenced by the giving of
21 personal benefits to City officers by lobbyists, or by lobbyists' financial support of City officers'
22 political interests.

23 (c) Corruption and the appearance of corruption in the form of campaign consultants
24 exploiting their influence with City officials on behalf of private interests may erode public confidence
25 in the fairness and impartiality of City governmental decisions. The City and County of San Francisco

1 has a compelling interest in preventing corruption or the appearance of corruption which could result
2 in such erosion of public confidence. Prohibitions on campaign consultants lobbying current and
3 former clients will protect public confidence in the electoral and governmental processes. It is the
4 purpose and intent of the people of the City and County of San Francisco in enacting this Chapter to
5 prohibit campaign consultants from exploiting or appearing to exploit their influence with City officials
6 on behalf of private interests.

17 regulated by the officer or employee's department.

18 (2) **Selective Assistance.** City officers and employees shall not provide assistance or
19 advice that is not generally available to all persons, in a manner that confers an advantage on any
20 person who is doing business or seeking to do business with the City. This subsection (a)(2) shall not
21 prohibit an officer or employee from communicating with individual applicants regarding the
22 individual's application, bid, or proposal, provided that such assistance is provided on an impartial
23 basis to all applicants who request it and is part of the officer or employee's City duties.

24 (3) **Use of City Resources.** City officers and employees shall not engage in the use,
25 other than minimal or incidental use, of the time, facilities, equipment, or supplies of the City for

1 private gain or advantage. Nothing in this subsection (a)(3) shall be interpreted or applied to interfere
2 with, restrict or supersede any rights or entitlements of employees, recognized employee organizations,
3 or their members under state law or regulation or pursuant to provisions of a collective bargaining
4 agreement to use City facilities, equipment, or resources.

5 (4) **Use of Prestige of Office.** City officers and employees shall not engage in the use of
6 any marker (including without limitation a badge, uniform, or business card), prestige, or influence of
7 the City officer or employee's position for private gain or advantage.

8 (5) **Use of City Work Product.** City officers and employees shall not sell, publish, or
9 otherwise use, in exchange for anything of value and without appropriate authorization, any non-public

12 be interpreted or applied to interfere with, restrict or supersede any rights or entitlements of
13 employees, recognized employee organizations, or their members under state law or regulation or
14 pursuant to provisions of a collective bargaining agreement to use public materials for collective
15 bargaining agreement negotiations.

16 (6) **Acting as an Unauthorized City Representative.** City officers and employees shall
17 not hold themselves out as a representative of their departments, or as an agent acting on behalf of
18 their departments, unless authorized to do so, including the use of City letterhead, title, e-mail, business
19 card, or any other resource for any communication that may lead the recipient of the communication to
20 think that the officer or employee is acting in an official capacity when the officer or employee is not.

21 (7) **Compensation for City Duties or Advice.** City officers and employees shall not
22 receive or accept a payment from anyone other than the City for the performance of a specific service
23 or act the officer or employee would be expected to render or perform in the regular course of their

1 (8) **Lobbying Activity.** City officers and employees shall not receive or accept a

10 (1) **Advance Written Determination.** An appointed department head or employee may
11 seek an advance written determination from the decision-maker specified in subsection (b)(2) below as

14 (2) **Decision-Maker.**

15 (A) For a request by an employee, the department head of the employee's
16 department or the department head's designee shall be the decision-maker on a request for an advance
17 written determination. If the department head delegates the decision-making to a designee and if the
18 designee determines that the proposed activity imposes excessive time demands or results in regular
19 disqualifications, the employee may appeal that determination to the department head.

20 (B) For a request by an appointed department head, the department head's
21 appointing authority shall be the decision-maker on a request for an advance written determination.

22 (3) **Effect.** An advance written determination approved by the appropriate decision-
23 maker that an activity does not impose excessive time demands or require regular disqualifications
24 provides the officer or employee immunity from any subsequent enforcement action for a violation of
25 subsection (b) if the material facts are as presented in the appointed department head or employee's

1 request for an advance written determination. An advance written determination cannot exempt the
2 requestor from any other applicable laws.

3 (4) **Public Records.** Requests for advance written determinations and advance written
4 determinations, including approvals and denials, are public records.

5 (c) **Statements of Incompatible Activities.** Statements of Incompatible Activities adopted and
6 approved prior to June 7, 2022 are hereby repealed and shall no longer have any legal effect, provided

24 120 days of receipt of the notice that the City Attorney has filed or will file a civil action, the
25 complainant may file the action. No resident may file an action under this Section 3.242 if the

1 City Attorney responds within 120 days that the City Attorney intends to file an action or has
2 already filed a civil action. No resident may bring an action under this Section 3.242 if the

16 Public Works who intentionally fails to review, consider and process all applications, revisions,
17 corrections and other permit-related material in the order in which that type of material is received

20 ~~criminal law. To the District Attorney or other appropriate law enforcement agency;~~

21 ~~(4) Those which are subject to an existing, ongoing investigation by the District~~
22 ~~Attorney, City Attorney, or Ethics Commission, where the applicable official or Commission states in~~
23 ~~writing that investigation by the Controller would substantially impede or delay his, her, or its own~~
24 ~~investigation of the matter. To the investigating office; and~~
25

1 ~~(5) Those which allege conduct that may constitute a violation of local campaign~~
2 ~~finance, lobbying, conflict of interest, or governmental ethics laws, regulations, or rules: To the Ethics~~
3 ~~Commission and the City Attorney.~~

4 ~~Where the conduct that is the subject of the complaint may violate criminal law and any civil or~~
5 ~~administrative law, statute, ordinance, or regulation, the Controller may take action on the noncriminal~~
6 ~~aspects of the matter under this Section 4.107 even if a referral has been made to another agency under~~
7 ~~this subsection (b).~~

8 ~~If a complaint is referred under this subsection (b), the Controller shall inform the complainant~~

15 ~~information.~~

16 ~~(d) INFORMATION PROVIDED UNDER PENALTY OF PERJURY. In those instances in~~
17 ~~which the Controller deems it appropriate, the Controller may require that persons making complaints~~

19 ~~Controller, or an agent of the Controller, or through written declarations made under penalty of~~
20 ~~perjury under the laws of the State of California.~~

21 ~~(e) REFERRAL AND RECOMMENDATION BY CONTROLLER. The Controller may refer the~~
22 ~~complaint to a City department for investigation, either before conducting an initial investigation or~~
23 ~~after doing so, and may recommend that a City department take specific action based on the~~
24 ~~Controller's initial investigation. Within 60 days of receiving a complaint for investigation or a~~
25 ~~recommendation by the Controller for specific action, or such other time as the Controller shall~~

1 ~~specify, the City department shall report to the Controller in writing the results of the department's~~
2 ~~investigation and any action that the department has taken in response to a recommendation by the~~

6 ~~the department has declined to take, the department shall report to the Controller its reasons for failing~~
7 ~~to do so within the time frame that the Controller specifies for reporting on its investigation of the~~
8 ~~complaint. If the Controller determines that the department's reasons are inadequate and that further~~

6 ~~(a) RETALIATION PROHIBITED. No City officer or employee may terminate, demote,~~
7 ~~suspend, or take other similar adverse employment action against any City officer or employee because~~
8 ~~the officer or employee has in good faith~~

9 ~~(1) filed a complaint as set forth in Section 4.105(a);~~

10 ~~(2) attempted to file a complaint through the procedures set forth in Section 4.105(a)~~
11 ~~but, in good faith, did not file the complaint with the appropriate City department or official; or~~

12 ~~(3) provided any information in connection with or otherwise cooperated with any~~
13 ~~investigation conducted under this Chapter 1.~~

14 ~~(b) COMPLAINTS OF RETALIATION.~~

15 ~~(1) Administrative Complaints. Any City officer or employee, or former City officer or~~
16 ~~employee, who believes he or she has been the subject of retaliation in violation of subsection (a) of this~~
17 ~~Section 4.115 may file a complaint with the Ethics Commission. The complaint must be filed no later~~
18 ~~than two years after the date of the alleged retaliation.~~

19 ~~The Ethics Commission shall investigate complaints of violations of subsection (a) of~~
20 ~~this Section 4.115 pursuant to the procedures specified in Charter Section C3.699-13 and the~~
21 ~~regulations adopted thereunder. The Ethics Commission may decline to investigate complaints~~
22 ~~alleging violations of subsection (a) if it determines that the same or similar allegations are pending~~
23 ~~with or have been finally resolved by another administrative or judicial body. Nothing in this~~
24 ~~subsection (b)(1) shall preclude the Ethics Commission from referring any matter to any other City~~
25 ~~department, commission, board, officer, or employee, or to other government agencies for investigation~~

1 ~~and possible disciplinary or enforcement action. The Ethics Commission may refer matters to the~~
2 ~~Department of Human Resources with a recommendation. The Ethics Commission may require any~~
3 ~~City department to provide a written report regarding the department's investigation and any action~~
4 ~~that the department has taken in response to the Ethics Commission's referral within a time frame that~~
5 ~~the Ethics Commission shall specify.~~

6 ~~(2) **Civil Complaints.** Any City officer or employee who believes he or she has been the~~

8 ~~the City officer or employee who committed the violation. Such action must be filed no later than two~~
9 ~~years after the date of the retaliation.~~

10 ~~(3) **Burden of Establishing Retaliation.** In order to establish under this Section 4.115~~
11 ~~that retaliation occurred, a complainant in a civil action must demonstrate, or the Ethics Commission~~
12 ~~in an administrative proceeding must determine, by a preponderance of the evidence, that the~~
13 ~~complainant's engagement in activity protected under subsection (a) was a substantial motivating~~
14 ~~factor for the adverse employment action. The respondent may rebut this claim if the respondent~~
15 ~~demonstrates by a preponderance of the evidence that he, she, or it would have taken the same~~
16 ~~employment action irrespective of the complainant's participation in protected activity.~~

17 ~~(4) **Duty to Assist with Retaliation Complaints.** Supervisors who receive a complaint~~
18 ~~alleging retaliation under this Chapter I must keep the complaint confidential and immediately assist~~
19 ~~the complainant by referring the complainant to the Ethics Commission and documenting the referral~~
20 ~~in writing. Documentation must include the date and time of the referral and that the complaint was~~
21 ~~about retaliation. Supervisors who fail to comply with this subsection (b) are subject to the penalties~~
22 ~~and remedies set forth in subsection (c).~~

23 ~~(c) **PENALTIES AND REMEDIES.**~~

1 ~~(1) **Administrative Penalties.** Any City officer or employee who violates subsection (a)~~
2 ~~of this Section 4.115 may be subject to administrative penalties pursuant to Charter Section C3.699-13~~

3
4 ~~(2) **Redress for Retaliatory Employment Action.** Following an administrative hearing~~
5 ~~and after making a finding that an adverse employment action has been taken for purposes of~~

7 ~~recommend the cancellation of the retaliatory termination, demotion, suspension or other adverse~~
8 ~~employment action.~~

9 ~~(3) **Discipline by Appointing Authority.** Any City officer or employee who violates~~
10 ~~subsections (a) or (b)(4) of this Section 4.115 shall be subject to disciplinary action up to and including~~
11 ~~dismissal by his or her appointing authority. If no disciplinary action is taken by the appointing~~
12 ~~authority, the Ethics Commission may refer the matter to the Civil Service Commission for action~~
13 ~~pursuant to Charter Section A8.341.~~

14 ~~(4) **Civil Penalties.** Any City officer or employee who violates subsection (a) of this~~
15 ~~Section 4.115 may be personally liable in a civil action authorized under subsection (b)(2) of this~~
16 ~~Section for a civil penalty not to exceed \$10,000.~~

17 ~~(d) **RESERVATION OF AUTHORITY.**~~

18 ~~(1) **Civil Service Commission.** Nothing in this Section 4.115 shall interfere with the~~
19 ~~powers granted to the Civil Service Commission by the Charter.~~

20 ~~(2) **Appointing Authority.** Nothing in this Section 4.115 shall interfere with the power~~
21 ~~of an appointing officer, manager, or supervisor to take action with respect to any City officer or~~
22 ~~employee, provided that the appointing officer, manager, or supervisor reasonably believes that such~~
23 ~~action is justified on facts separate and apart from the fact that the officer or employee filed a~~
24 ~~complaint as set forth in Section 4.105(a), attempted to file such a complaint in good faith, or~~
25 ~~cooperated with an investigation of such a complaint.~~

1 ~~(e) NOTICE OF WHISTLEBLOWER PROTECTIONS. The Controller shall prepare, and each~~
2 ~~City department shall post a notice of whistleblower protections. The notice shall be posted in a~~
3 ~~location that is conspicuous and accessible to all employees.~~

5 ~~(1) The Controller, in collaboration with the Ethics Commission, shall prepare, and all~~
6 ~~City departments shall distribute, materials to publicize and promote whistleblower protections as part~~
7 ~~of each department's new hire training programs.~~

8 ~~(2) The Ethics Commission, in collaboration with the Controller and Department of~~
9 ~~Human Resources, shall prepare, and all City departments shall distribute, materials to publicize and~~
10 ~~promote supervisors' responsibilities under this Chapter 1. In addition, the Department of Human~~
11 ~~Resources, in collaboration with the Controller and Ethics Commission, shall prepare web-based~~
12 ~~training for supervisors regarding their responsibilities under this Chapter 1, which shall be~~
13 ~~implemented by January 1, 2020. This training must be provided to all City supervisors annually by~~
14 ~~April of each year thereafter.~~

15
16 **~~SEC. 4.117. PROTECTION OF WHISTLEBLOWERS - CITY CONTRACTORS.~~**

17 ~~(a) RETALIATION PROHIBITED. No City officer or employee may take steps to terminate a~~
18 ~~contract with a City contractor; refuse to use a City contractor for contracted services; request that a~~
19 ~~City contractor terminate, demote, or suspend one of its employees; or take other similar adverse~~
20 ~~action against any City contractor or employee of a City contractor because the contractor or the~~
21 ~~contractor's employee:~~

22 ~~(1) filed a complaint with any supervisor within a City agency alleging that a City~~
23 ~~officer or employee engaged in improper government activity, misused City funds, caused deficiencies~~
24 ~~in the quality and delivery of government services, or engaged in wasteful and inefficient government~~
25 ~~practices;~~

1 ~~(2) filed a complaint with any supervisor within a City agency alleging that another~~
2 ~~City contractor, or employee of another City contractor, engaged in unlawful activity, misused City~~
3 ~~funds, caused deficiencies in the quality and delivery of government services or engaged in wasteful~~
4 ~~and inefficient government practices; or~~

5 ~~(3) provided any information in connection with or otherwise cooperated with any~~
6 ~~investigation conducted under this Chapter 1.~~

7 ~~(b) COMPLAINTS OF RETALIATION.~~

12 ~~The Ethics Commission shall investigate complaints of violations of subsection (a) of~~
13 ~~this Section 4.117 pursuant to the procedures specified in Charter Section C3.699-13 and the~~
14 ~~regulations adopted thereunder. The Ethics Commission may decline to investigate complaints~~
15 ~~alleging violations of subsection (a) if it determines that the same or similar allegations are pending~~
16 ~~with or have been finally resolved by another administrative or judicial body. Nothing in this~~
17 ~~subsection shall preclude the Ethics Commission from referring any matter to any other City~~
18 ~~department, commission, board, officer, or employee, or to other government agencies for investigation~~
19 ~~and possible disciplinary or enforcement action. The Ethics Commission may refer matters to the~~
20 ~~Department of Human Resources with a recommendation. The Ethics Commission may require any~~
21 ~~City department to provide a written report regarding the department's investigation and any action~~
22 ~~that the department has taken in response to the Ethics Commission's referral, within a time frame that~~
23 ~~the Ethics Commission shall specify.~~

24 ~~(2) Burden of Establishing Retaliation. In order to establish that retaliation occurred~~
25 ~~under this Section 4.117, the Ethics Commission in an administrative proceeding must determine, by a~~

1 ~~preponderance of the evidence, that the complainant's engagement in activity protected under~~
2 ~~subsection (a) was a substantial motivating factor for the adverse action. The respondent may rebut~~
3 ~~this claim if it demonstrates by a preponderance of the evidence that it would have taken the same~~
4 ~~adverse action irrespective of the complainant's participation in protected activity.~~

5 ~~(c) PENALTIES AND REMEDIES.~~

6 ~~(1) Administrative Penalties. Any City officer or employee who violates subsection (a)~~
7 ~~of this Section 4.117 may be subject to administrative penalties pursuant to Charter Section C3.699-13.~~

8 ~~(2) Redress for Retaliatory Adverse Action. Following an administrative hearing and~~
9 ~~after making a finding that an adverse action has been taken for purposes of retaliation, the Ethics~~
10 ~~Commission may, subject to the Charter's budgetary and contracting provisions, order the cancellation~~
11 ~~of retaliatory adverse action taken against a City contractor or employee of a City contractor.~~

12 ~~(3) Discipline by Appointing Authority. Any City officer or employee who violates~~
13 ~~subsection (a) of this Section 4.117 shall be subject to disciplinary action up to and including dismissal~~
14 ~~by his or her appointing authority. If no disciplinary action is taken by the appointing authority, the~~
15 ~~Ethics Commission may refer the matter to the Civil Service Commission for action pursuant to Charter~~
16 ~~Section A8.341.~~

17 ~~(d) NOTICE OF WHISTLEBLOWER PROTECTIONS. The Controller shall prepare, and each~~
18 ~~City department shall post, a notice of the whistleblower protections established by this Section 4.117.~~
19 ~~City contractors shall distribute the notice of protections to all of their employees.~~

4 ~~complaints, and deliberations regarding such complaints.~~

5 ~~(c) PENALTIES. Except as provided in subsection (d), violations of subsections (a) and (b)~~
6 ~~may be subject to the administrative proceedings and penalties set forth in Charter Section C3.699-13,~~

8 ~~(d) EXCEPTIONS.~~

9 ~~(1) Conduct of Investigations. Nothing in this Section 4.120 shall preclude the~~
10 ~~Controller's Office, Ethics Commission, District Attorney, and City Attorney from disclosing the~~
11 ~~identity of an individual or other information to the extent necessary to conduct its investigation.~~

12 ~~(2) Legal Proceedings. Nothing in this Section 4.120 shall preclude City officers and~~
13 ~~employees from disclosing the identity of an individual or other information relating to a complaint to~~
14 ~~the extent required by the rules governing an administrative or court proceeding.~~

16 ~~referring any matter to any other City department, commission, board, officer, or employee, or to other~~
17 ~~government agencies, for investigation and possible disciplinary or enforcement action.~~

18
19 ~~**SEC. 4.123. CONFIDENTIALITY PROTECTION FOR WHISTLEBLOWER PROGRAM**~~

22 ~~the City shall keep confidential:~~

23 ~~(i) The identity of any person who makes a complaint to the Whistleblower Program~~
24 ~~under Section 4.107 of this Chapter, and any information that would lead to the disclosure of the~~
25

1 ~~person's identity, unless the person who made the complaint provides written authorization for the~~
2 ~~disclosure.~~

3 ~~(ii) Complaints or reports to the Whistleblower Program and information related to the~~
4 ~~investigation of the matter, including drafts, notes, preliminary reports, working papers, records of~~
5 ~~interviews, communications with complainants and witnesses, and any other materials and information~~

7 ~~The protection of confidentiality set forth in this Section applies irrespective of whether~~
8 ~~the information was provided in writing and whether the information was provided or is maintained in~~
9 ~~electronic, digital, paper or any other form or medium.~~

10 ~~(b) INQUIRY REGARDING IDENTITY PROHIBITED. In order to assure effective~~
11 ~~implementation of the provisions of this Section providing confidentiality to whistleblowers, City~~
12 ~~officers and employees may not use any City resources, including work time, to ascertain or attempt to~~

21 **SEC. 4.115. PROTECTION OF WHISTLEBLOWERS – CITY EMPLOYEES.**

22 **(a) RETALIATION PROHIBITED.** No City officer or employee may terminate, demote,
23 suspend, or take other similar adverse employment action against any City officer or employee because
24 the officer or employee has in good faith

25 (1) filed a complaint as set forth in Section 4.105(a);

1 (2) attempted to file a complaint through the procedures set forth in Section 4.105(a)
2 but, in good faith, did not file the complaint with the appropriate City department or official; or
3 (3) provided any information in connection with or otherwise cooperated with any
4 investigation conducted under this Chapter 1.

5 **(b) COMPLAINTS OF RETALIATION.**

6 (1) **Administrative Complaints.** Any City officer or employee, or former City officer or
7 employee, who believes he or she has been the subject of retaliation in violation of subsection (a) of this
8 Section 4.115 may file a complaint with the Ethics Commission. The complaint must be filed no later
9 than two years after the date of the alleged retaliation.

10 The Ethics Commission shall investigate complaints of violations of subsection (a) of
11 this Section 4.115 pursuant to the procedures specified in Charter Section C3.699-13 and the
12 regulations adopted thereunder. The Ethics Commission may decline to investigate complaints
13 alleging violations of subsection (a) if it determines that the same or similar allegations are pending
14 with or have been finally resolved by another administrative or judicial body. Nothing in this
15 subsection (b)(1) shall preclude the Ethics Commission from referring any matter to any other City
16 department, commission, board, officer, or employee, or to other government agencies for investigation
17 and possible disciplinary or enforcement action. The Ethics Commission may refer matters to the
18 Department of Human Resources with a recommendation. The Ethics Commission may require any
19 City department to provide a written report regarding the department's investigation and any action
20 that the department has taken in response to the Ethics Commission's referral within a time frame that
21 the Ethics Commission shall specify.

22 (2) **Civil Complaints.** Any City officer or employee who believes he or she has been the
23 subject of retaliation in violation of subsection (a) of this Section 4.115 may bring a civil action against
24 the City officer or employee who committed the violation. Such action must be filed no later than two
25 years after the date of the retaliation.

1 **(3) Burden of Establishing Retaliation.** *In order to establish under this Section 4.115*
2 *that retaliation occurred, a complainant in a civil action must demonstrate, or the Ethics Commission*
3 *in an administrative proceeding must determine, by a preponderance of the evidence, that the*
4 *complainant's engagement in activity protected under subsection (a) was a substantial motivating*
5 *factor for the adverse employment action. The respondent may rebut this claim if the respondent*
6 *demonstrates by a preponderance of the evidence that he, she, or it would have taken the same*
7 *employment action irrespective of the complainant's participation in protected activity.*

8 **(4) Duty to Assist with Retaliation Complaints.** *Supervisors who receive a complaint*
9 *alleging retaliation under this Chapter 1 must keep the complaint confidential and immediately assist*
10 *the complainant by referring the complainant to the Ethics Commission and documenting the referral*
11 *in writing. Documentation must include the date and time of the referral and that the complaint was*
12 *about retaliation. Supervisors who fail to comply with this subsection (b) are subject to the penalties*
13 *and remedies set forth in subsection (c).*

14 **(c) PENALTIES AND REMEDIES.**

15 **(1) Administrative Penalties.** *Any City officer or employee who violates subsection (a)*
16 *of this Section 4.115 may be subject to administrative penalties pursuant to Charter Section C3.699-13.*

17 **(2) Redress for Retaliatory Employment Action.** *Following an administrative hearing*
18 *and after making a finding that an adverse employment action has been taken for purposes of*
19 *retaliation, the Ethics Commission may, subject to the Charter's budgetary and civil service provisions,*
20 *recommend the cancellation of the retaliatory termination, demotion, suspension or other adverse*
21 *employment action.*

22 **(3) Discipline by Appointing Authority.** *Any City officer or employee who violates*
23 *subsections (a) or (b)(4) of this Section 4.115 shall be subject to disciplinary action up to and including*
24 *dismissal by his or her appointing authority. If no disciplinary action is taken by the appointing*
25

1 authority, the Ethics Commission may refer the matter to the Civil Service Commission for action
2 pursuant to Charter Section A8.341.

3 (4) **Civil Penalties.** Any City officer or employee who violates subsection (a) of this
4 Section 4.115 may be personally liable in a civil action authorized under subsection (b)(2) of this
5 Section for a civil penalty not to exceed \$10,000.

6 **(d) RESERVATION OF AUTHORITY.**

7 (1) **Civil Service Commission.** Nothing in this Section 4.115 shall interfere with the
8 powers granted to the Civil Service Commission by the Charter.

9 (2) **Appointing Authority.** Nothing in this Section 4.115 shall interfere with the power
10 of an appointing officer, manager, or supervisor to take action with respect to any City officer or
11 employee, provided that the appointing officer, manager, or supervisor reasonably believes that such
12 action is justified on facts separate and apart from the fact that the officer or employee filed a
13 complaint as set forth in Section 4.105(a), attempted to file such a complaint in good faith, or
14 cooperated with an investigation of such a complaint.

15 (e) **NOTICE OF WHISTLEBLOWER PROTECTIONS.** The Controller shall prepare, and

19 (1) The Controller, in collaboration with the Ethics Commission, shall prepare, and all
20 City departments shall distribute, materials to publicize and promote whistleblower protections as part
21 of each department's new hire training programs.

22 (2) The Ethics Commission, in collaboration with the Controller and Department of
23 Human Resources, shall prepare, and all City departments shall distribute, materials to publicize and
24 promote supervisors' responsibilities under this Chapter 1. In addition, the Department of Human
25 Resources, in collaboration with the Controller and Ethics Commission, shall prepare web-based

1 training for supervisors regarding their responsibilities under this Chapter 1, which shall be
2 implemented by January 1, 2020. This training must be provided to all City supervisors annually by
3 April of each year thereafter.

4
5 **SEC. 4.117. PROTECTION OF WHISTLEBLOWERS - CITY CONTRACTORS.**

6 **(a) RETALIATION PROHIBITED.** No City officer or employee may take steps to terminate
7 a contract with a City contractor; refuse to use a City contractor for contracted services; request that a
8 City contractor terminate, demote, or suspend one of its employees; or take other similar adverse
9 action against any City contractor or employee of a City contractor because the contractor or the
10 contractor's employee:

11 (1) filed a complaint with any supervisor within a City agency alleging that a City
12 officer or employee engaged in improper government activity, misused City funds, caused deficiencies
13 in the quality and delivery of government services, or engaged in wasteful and inefficient government
14 practices;

15 (2) filed a complaint with any supervisor within a City agency alleging that another
16 City contractor, or employee of another City contractor, engaged in unlawful activity, misused City
17 funds, caused deficiencies in the quality and delivery of government services or engaged in wasteful
18 and inefficient government practices; or

19 (3) provided any information in connection with or otherwise cooperated with any
20 investigation conducted under this Chapter 1.

21 **(b) COMPLAINTS OF RETALIATION.**

22 (1) Administrative Complaints. Any City contractor or employee of a City contractor,
23 who believes it, he, or she has been the subject of retaliation in violation of subsection (a) of this
24 Section 4.117 may file a complaint with the Ethics Commission. The complaint must be filed no later
25 than two years after the date of the alleged retaliation.

1 The Ethics Commission shall investigate complaints of violations of subsection (a) of
2 this Section 4.117 pursuant to the procedures specified in Charter Section C3.699-13 and the
3 regulations adopted thereunder. The Ethics Commission may decline to investigate complaints
4 alleging violations of subsection (a) if it determines that the same or similar allegations are pending
5 with or have been finally resolved by another administrative or judicial body. Nothing in this
6 subsection shall preclude the Ethics Commission from referring any matter to any other City
7 department, commission, board, officer, or employee, or to other government agencies for investigation
8 and possible disciplinary or enforcement action. The Ethics Commission may refer matters to the
9 Department of Human Resources with a recommendation. The Ethics Commission may require any
10 City department to provide a written report regarding the department's investigation and any action
11 that the department has taken in response to the Ethics Commission's referral, within a time frame that
12 the Ethics Commission shall specify.

13 (2) **Burden of Establishing Retaliation.** In order to establish that retaliation occurred
14 under this Section 4.117, the Ethics Commission in an administrative proceeding must determine, by a
15 preponderance of the evidence, that the complainant's engagement in activity protected under
16 subsection (a) was a substantial motivating factor for the adverse action. The respondent may rebut
17 this claim if it demonstrates by a preponderance of the evidence that it would have taken the same
18 adverse action irrespective of the complainant's participation in protected activity.

19 **(c) PENALTIES AND REMEDIES.**

20 (1) **Administrative Penalties.** Any City officer or employee who violates subsection (a)
21 of this Section 4.117 may be subject to administrative penalties pursuant to Charter Section C3.699-13.

22 (2) **Redress for Retaliatory Adverse Action.** Following an administrative hearing and
23 after making a finding that an adverse action has been taken for purposes of retaliation, the Ethics
24 Commission may, subject to the Charter's budgetary and contracting provisions, order the cancellation
25 of retaliatory adverse action taken against a City contractor or employee of a City contractor.

1 **(3) Discipline by Appointing Authority.** Any City officer or employee who violates
2 subsection (a) of this Section 4.117 shall be subject to disciplinary action up to and including dismissal
3 by his or her appointing authority. If no disciplinary action is taken by the appointing authority, the
4 Ethics Commission may refer the matter to the Civil Service Commission for action pursuant to Charter
5 Section A8.341.

6 **(d) NOTICE OF WHISTLEBLOWER PROTECTIONS.** The Controller shall prepare, and
7 each City department shall post, a notice of the whistleblower protections established by this Section
8 4.117. City contractors shall distribute the notice of protections to all of their employees.

9
10 **SEC. 4.120. CONFIDENTIALITY.**

11 **(a) WHISTLEBLOWER IDENTITY.** City officers and employees shall treat as confidential

15 confidential complaints filed under Sections 4.105, 4.115, and 4.117, and related information,
16 including but not limited to materials gathered and prepared in the course of investigating such
17 complaints, and deliberations regarding such complaints.

18 **(c) PENALTIES.** Except as provided in subsection (d), violations of subsections (a) and (b)
19 may be subject to the administrative proceedings and penalties set forth in Charter Section C3.699-13,
20 in addition to disciplinary action up to and including dismissal by his or her appointing authority.

21 **(d) EXCEPTIONS.**

22 **(1) Conduct of Investigations.** Nothing in this Section 4.120 shall preclude the
23 Controller's Office, Ethics Commission, District Attorney, and City Attorney from disclosing the
24 identity of an individual or other information to the extent necessary to conduct its investigation.

1 (2) **Legal Proceedings.** Nothing in this Section 4.120 shall preclude City officers and
2 employees from disclosing the identity of an individual or other information relating to a complaint to
3 the extent required by the rules governing an administrative or court proceeding.

4 (3) **Referrals.** Nothing in this Section 4.120 shall preclude the Ethics Commission from
5 referring any matter to any other City department, commission, board, officer, or employee, or to other
6 government agencies, for investigation and possible disciplinary or enforcement action.

9 **COMPLAINANTS AND INVESTIGATIONS.**

10 (a) **WHISTLEBLOWER IDENTITY AND INVESTIGATIONS.** Every officer and employee
11 of the City shall keep confidential:

1 ascertain directly or indirectly the identity of any person who has made a complaint to the
2 Whistleblower Program, unless such person has provided written authorization for the disclosure.
3 Nothing in this Section shall preclude an officer or employee assigned to investigate a complaint under
4 this Chapter from ascertaining the identity of a complainant to the extent necessary to conduct the
5 investigation.

6 (c) **EXCEPTIONS.** Nothing in this Section shall preclude the Controller from (i) disclosing

10 any matter to another City department, commission, board, officer or employee, or to other
11 governmental agencies, for investigation and possible disciplinary, enforcement or remedial action, or
12 (iii) releasing information to the Citizens Audit Review Board so that it may carry out its duty to
13 provide advisory input to the Controller on the Whistleblower Program, provided that information is
14 prepared so as to protect the confidentiality of persons making complaints and of investigations, or (iv)
15 releasing information to inform the public of the nature of the actions taken by the Controller in the

3 ~~(b) **Statement of Incompatible Activities.** Every department, board, commission, and agency~~
4 ~~of the City and County shall, by August 1 of the year after which this Section becomes effective, submit~~
5 ~~to the Ethics Commission a statement of incompatible activities. No statement of incompatible~~
6 ~~activities shall become effective until approved by the Ethics Commission after a finding that the~~
7 ~~activities are incompatible under the criteria set forth in Subsection (c). After initial approval by the~~
8 ~~Ethics Commission, a department, board, commission or agency of the City and County may, subject to~~
9 ~~the approval of the Ethics Commission, amend its statement of incompatible activities. The Ethics~~
10 ~~Commission may, at any time, amend the statement of incompatible activities of any department, board,~~
11 ~~commission or agency of the City and County.~~

12 ~~(c) **Required Language.** Each statement of incompatible activities shall list those outside~~
13 ~~activities that are inconsistent, incompatible, or in conflict with the duties of the officers and employees~~
14 ~~of the department, board, commission, or agency of the City and County. This list shall include, but~~
15 ~~need not be limited to, activities that involve: (1) the use of the time, facilities, equipment and supplies~~
16 ~~of the City and County; or the badge, uniform, prestige, or influence of the City and County officer or~~
17 ~~employee's position for private gain or advantage; (2) the receipt or acceptance by an officer or~~
18 ~~employee of the City and County of any money or other thing of value from anyone other than the City~~
19 ~~and County for the performance of an act that the officer or employee would be required or expected to~~
20 ~~render in the regular course of his or her service or employment with the City and County; (3) the~~
21 ~~performance of an act in a capacity other than as an officer or employee of the City and County that~~
22 ~~may later be subject directly or indirectly to the control, inspection, review, audit or enforcement of the~~
23 ~~City and County officer or employee's department, board, commission or agency; and (4) time demands~~
24 ~~that would render performance of the City and County officer or employee's duties less efficient. The~~
25 ~~Ethics Commission may permit City boards and commissions to exclude any required language from~~

3 ~~(d) **Meet and Confer.** No statement of incompatible activities or any amendment thereto shall~~
4 ~~become operative until the City and County has satisfied the meet and confer requirements of State law.~~

5 ~~(e) **Notice.** Every department, board, commission and agency of the City and County shall~~
6 ~~annually provide to its officers and employees a copy of its statement of incompatible activities.~~

16 or commission on behalf of oneself or one's immediate family, filing or otherwise pursuing claims
17 against the City on one's own behalf, making a public records disclosure request or other request for
18 information as permitted by law, attending and participating in a meeting of a board, commission, or
19 other policy body under the Brown Act or Sunshine Ordinance, and engaging in non-compensated,
20 volunteer activity for a nonprofit organization with tax exempt status under 26 United States Code
21 Section 501(c)(3). Incompatible activities prohibited by this subsection (a)(1) shall include, but are not
22 limited, to the following:

8 (2) **Selective Assistance.** City officers and employees shall not provide assistance or

10 person who is doing business or seeking to do business with the City. This subsection (a)(2) shall not
11 prohibit an officer or employee from communicating with individual applicants regarding the
12 individual's application, bid, or proposal, provided that such assistance is provided on an impartial
13 basis to all applicants who request it and is part of the officer or employee's City duties.

14 (3) **Use of City Resources.** City officers and employees shall not engage in the use,
15 other than minimal or incidental use, of the time, facilities, equipment, or supplies of the City for
16 private gain or advantage. Nothing in this subsection (a)(3) shall be interpreted or applied to interfere
17 with, restrict or supersede any rights or entitlements of employees, recognized employee organizations,
18 or their members under state law or regulation or pursuant to provisions of a collective bargaining
19 agreement to use City facilities, equipment, or resources.

20 (4) **Use of Prestige of Office.** City officers and employees shall not engage in the use of

4 pursuant to provisions of a collective bargaining agreement to use public materials for collective
5 bargaining agreement negotiations.

6 **(6) Acting as an Unauthorized City Representative.** City officers and employees shall
7 not hold themselves out as a representative of their departments, or as an agent acting on behalf of
8 their departments, unless authorized to do so, including the use of City letterhead, title, e-mail, business
9 card, or any other resource for any communication that may lead the recipient of the communication to
10 think that the officer or employee is acting in an official capacity when the officer or employee is not.

11 **(7) Compensation for City Duties or Advice.** City officers and employees shall not
12 receive or accept a payment from anyone other than the City for the performance of a specific service
13 or act the officer or employee would be expected to render or perform in the regular course of their
14 City duties or for advice about the processes of the City directly related to the officer or employee's
15 duties and responsibilities or the processes of the officer or employee's department.

16 **(8) Lobbying Activity.** City officers and employees shall not receive or accept a
17 payment from anyone other than the City in exchange for communicating with any other City officer or
18 employee within their own department with the intent to influence an administrative or legislative
19 action.

20 **(b) Excessive Time Demands or Regular Disqualifications.** No City appointed department
21 head or employee may engage in any activity that either imposes excessive time demands such that it
22 materially impairs the appointed department head's or employee's performance of their City duties or
23 that disqualifies the appointed department head or employee from their City assignments or
24 responsibilities on a regular basis.

Attachment 4: Chart of Changes Made Through Proposed Ordinance and Regulation Amendments

A. Ordinance Proposed as Ballot Measure

The following table summarizes the provisions contained in the draft ordinance that constitutes the proposed measure included as Attachment 1.

Table 1: Summary of Changes to Code Made Through Proposed Ordinance

Section Number	Summary	Details
1.503	Establishes a legislative amendment process limited to amendments approved by a supermajority of both the Ethics Commission and Board of Supervisors.	This chapter, which regulates campaign consultants was created through a ballot measure but provides no mechanism for legislative amendments. This makes it difficult for needed updates or improvements to be made to the chapter to ensure that it continues to be effective. The voters' power to change the chapter would not be affected.
2.115(a)	Relocates lobbyist gift rule.	The lobbyist gift rule would be deleted from section 2.115(a) and added to section 3.216(b).
2.135	Adds a provision that allows the Commission to require electronic filing of public disclosures.	This chapter, which regulates lobbyists, does not currently contain explicit language stating that the Commission may require disclosures be made electronically.
2.145	Removes required mental states of "knowingly or negligently" from penalty provision.	This chapter, which regulates lobbyists, attaches a prerequisite mental state to violations in order for those violations to result in administrative penalties. This standard is a departure from how administrative penalties are applied in other chapters: administrative penalties are typically applied on a strict liability basis in other chapters.
2.100 <i>et seq.</i>	Re-authorizes chapter in order to effectuate amendment provision.	This chapter already contains a provision (2.103) that requires legislative amendments to be approved by a supermajority of both the Board of Supervisors and the Ethics Commission, an important safeguard to protect ethics laws. But, it is not clear that the provision applies to all of the lobbyist chapter. The chapter would be re-authorized by the draft measure to ensure that the legislative amendment provision applies to all sections of the chapter. Section 2.155 has also be slightly amended to specify

		<p>that this ordinance would be passed by the voters, not the Board of Supervisors.</p> <p>The text of the chapter has not been changed except as noted above. This would not affect the power of the voters to amend the chapter in any way.</p>
3.1-102 & 3.1-102.5(c)	Adds a penalty provision.	This chapter, which contains rules regarding the disclosure of personal financial interests, including the requirement that City officers and certain City employees file the Form 700, does not currently mention penalties, even though they can be imposed under the Charter. The absence of a penalty provision has the potential to mislead Form 700 filers into thinking that there are no penalties for failure to timely report all relevant financial interests or vote without having properly filed.
3.203	Creates definition of <i>affiliate</i> .	This concept mirrors the same terms as it is used in the campaign finance context and is important to apply the rule to gifts from individuals who are doing business with a department through a business entity.
3.203	Amends definition of <i>anything of value</i> .	This concept is the basis for the definition of gift. It should therefore not contain a reference to state or local gift exceptions, as those are applied elsewhere in City law.
3.203	Creates definition of <i>appointed department head</i> .	This concept is used in the new draft rules regarding incompatible activities that involve excessive time demands or would result in regular disqualifications.
3.203	Creates definition of <i>contract</i> .	This concept is one of the bases for what makes a person a restricted source. Currently, “doing business” is only defined in regulations, and the measure would codify a definition of doing business, which includes contracting with the City.
3.203	Creates definition of <i>department head</i> .	This term is used in Art. III, Ch. 2 in the draft rule regarding incompatible activities and the new centralized disclosure of gifts to City departments.
3.203	Creates definition of <i>doing business with the department</i> . Includes licenses, permits, and entitlements for use.	Doing business with a City department is one of two ways in which a person becomes a restricted source. The terms was previously defined only by regulation. In addition to contracting with the City, the definition includes seeking or obtaining a license, permit, or other entitlement for use from the City. These activities involve approvals with great monetary value and should be treated similarly to contracts for purposes of the restricted source rule.

3.203	Creates definition of <i>gift</i> .	The definition mirrors the definition of <i>gift</i> contained in state law, but omits state exceptions, which are largely inappropriate in the context of San Francisco's gift rules. Certain of the state exceptions are applied in the regulations, as described in the subsequent table below.
3.203	Creates definition of <i>license, permit, or other entitlement for use</i> .	This category of City approvals mirrors what is defined in state law as triggering the rule against soliciting contributions (Gov. Code § 84308). It is used in the definition of <i>doing business</i> , an element of <i>restricted source</i> .
3.203	Creates definition of <i>payment</i> .	This term is a feature of the definition of <i>gift</i> and is used in the draft gift rules.
3.203	Expands definition of <i>restricted source</i> .	<p>(a) contains <i>doing business</i>, an existing component of the definition of <i>restricted source</i>.</p> <p>(b) extends the rule to prohibit gifts from a person to an officer if the officer's approval was required for a contract, license, permit, or entitlement for use that constitutes <i>doing business</i> with the City. This ensures that, in situations where a person is doing business with a City department but the business required approval by officers outside of the department (for example, a contract that was approved by the Board of Supervisors), the restricted source rule would still apply to gifts from the person to those officers. This is important since the same risks of pay-to-play and the appearance of corruption exist for such gifts.</p> <p>(c) extends the rule such that any affiliate of a restricted source is also a restricted source. Affiliates of an entity include its directors, officers, and major shareholders. Without this provision, even if a contracting entity is prohibited from making gifts to certain officials, its directors, officers, and owners would still be free to do so.</p> <p>(d) contains <i>attempts to influence</i> an official within the last 12 months, an existing component of the definition of <i>restricted source</i>.</p> <p>(e) relocates the lobbyist gift prohibition from section 2.115(a) to section 3.216(b) to consolidate it with similar rules.</p>

		<p>(f) would prohibit gifts from registered permit consultants to officials within permit-issuing departments. Like lobbyists, permit consultants are paid to influence the actions of City officials and should therefore be included in the restricted source rule.</p> <p>The definition of <i>restricted source</i> was previously located within section 3.216.</p>
3.203	Creates definition of <i>family member</i> .	This term is used in the rule prohibiting restricted sources from giving gifts to an official's family members and the rule prohibiting officials from soliciting such gifts for family members.
3.205	Extends annual ethics training requirements to all Form 700 filers.	Not all Form 700 filers are currently required to complete an annual training on ethics laws and certify completion of the training to the Ethics Commission. This change will also require every department, board, commission, and agency of the City to annually provide to its officers and employees with a summary of relevant state and local ethics laws to be created by the Ethics Commission.
3.214(b)	Creates a penalty for failure to disclose a personal, professional, or business relationship with persons involved in a government decision.	The Code currently explicitly states that there is no penalty associated with failure to comply with this section. Deleting this language stating that there is no penalty associated with failure to comply would allow for penalties against an official who made a decision involving someone with whom they had a personal, professional, or business relationship and failed to disclose that relationship.
3.214(c)	Specify that the Ethics Commission may issue regulations on how the required disclosure must be made and archived.	Departments should be given guidance on how to store 3.214 disclosures and how to make them available to the public.
3.216(a)	Define "bribe" broadly as "anything of value," rather than narrowly as a "gift."	The current bribery rule only prohibits bribes that also meet the definition of <i>gift</i> . This is problematic because the definition of gift is subject to many exceptions, which should not be applied to bribes. Anytime a payment is made with the intent to influence an official act, the payment should be considered a bribe.
3.216(a)	Prohibit bribery in cases where the payment is	The current bribery rule does not explicitly prohibit payments made to third parties, even when those

	made to a third party, not the official in question.	payments are made with the intent to influence a City official.
3.216(a)	Prohibit the solicitation of bribes by City officials.	San Francisco does not currently prohibit the solicitation of bribes. A prohibition on the solicitation of bribes would be consistent with federal law.
3.216(b)(1)-(2)	Relocates definitions of <i>restricted source</i> and <i>gift</i> .	These definitions are moved to section 3.203.
3.216(b)(1)	Prohibits officials from soliciting or accepting a gift from a restricted source for themselves or for others.	(b)(1) contains the existing rule that officials are prohibited from soliciting or accepting a gift from a person they have reason to know is a restricted source. The amendment would additionally prohibit soliciting, accepting, or coordinating a gift to <i>other</i> City officials if the official has reason to know the source of the gift is a restricted source. This would address an observed practice that undermines the effectiveness of the restricted source rule.
3.216(b)(2)	Prohibits officials from accepting a gift from any person if they have reason to know the gift was paid for by a restricted source.	Officials are already prohibited from soliciting or accepting a gift from a person they have reason to know is a restricted source. But, the law fails to specify that officials cannot accept restricted source gifts that are first passed through a third party. If the official has reason to know that a gift originates from a restricted source, the gift should be prohibited. This includes gifts that are passed through City departments.
3.216(b)(3)	Prohibits officials from soliciting or accepting gifts for a family member from a source they have reason to know is a restricted source.	Officials are already prohibited from soliciting or accepting a gift from a person they have reason to know is a restricted source. The amendment would additionally prohibit soliciting or accepting a gift for the official's family member. This would preclude a potential work around to the rule that creates a danger of pay-to-play.
3.216(b)(4)	Prohibits restricted sources from giving gifts to officials.	Currently, only the solicitation or receipt of a restricted source gift by an official is prohibited. The ordinance would prohibit a person from <i>giving</i> a gift to a City official or the official's family member if the person has reason to know that they are a restricted source for the official. Unlaw gifts will be deterred more effectively if giving them is prohibited. The failure of a lobbyist or permit consultant to register as such would not allow that person to make gifts that would otherwise be prohibited.
3.216(b)(5)	Prohibits restricted sources from passing gifts through an intermediary.	The ordinance would prohibit a person from making a payment to an intermediary if (a) the person has reason to know the payment will be used to give a gift to a City official, and (b) the person has reason to

		know they are a restricted source for the official. This would prohibit restricted sources from circumventing the restricted source rule by passing gifts through a third party, including a City department.
3.216(b)(6)	Prohibits anyone from acting as an intermediary for a restricted source gift.	The ordinance would prohibit any person from accepting a payment with the understanding that the person will use the payment to give a gift to an official if the person has reason to know that the source of the payment is a restricted source for the official. This rule would help preclude a workaround to the rule by creating liability for those who knowingly act as a passthrough.
3.216(b)(7), (c) [new number]	Amends regulation authority.	This amendment would remove specific language about what gifts are exempted by regulation and instead give general authority to the Commission to exempt certain gifts (these exemptions are contained in the draft regulations below).
3.216(f)	Relocates reference to state gift aggregation regulation.	The lobbyist gift rule (2.115) already incorporates the state rule pertaining to the aggregation of gifts from related sources. The ordinance would move the reference to 3.216 so that it applies to all restricted source gifts. The aggregation principles help prevent circumvention of the rule by, for example, prohibiting a restricting source from using a separate entity that they control to give a prohibited gift.
3.217	Requires department heads to disclose certain payments to City departments from non-City sources.	The ordinance would require each department head to disclose payments that their department receives from a source that is not a federal, state, or local government and for which the department does not provide equal consideration. The disclosure is due by the fifteenth of the month following receipt the payment and must include basic information about the gift and the source, including the names of all City officials who receive a personal benefit from the gift. The disclosure must be updated if the information required to be disclosed, such as how a gift was used, changes after the time of the initial filing.
3.218	Codify the following rules that appear in most Statements of Incompatible Activities: 1) Activities Subject to the	These rules represent the standard ethics rules that appear in most Statements of Incompatible Activities. By codifying the rules in the Code, the rules will apply uniformly across all City departments, eliminating unnecessary divergences and enabling broader awareness and compliance. 3.242	Specifies that penalties apply to entire Chapter.	The current penalty provision is described as applying to violations of "any of the City's conflict of interest and governmental ethics laws" – this has been clarified to apply to violations of "Chapter 2."
3.243	Adds a provision that allows the Commission to require electronic filing of public disclosures.	This chapter, which contains Conflicts-of-Interest and Ethics rules, does not currently contain explicit language stating that the Commission may require any disclosures be made electronically.

3.303	Protect ethics laws from amendment by requiring approvals by a supermajority of the Ethics Commission and Board of Supervisors for legislative amendments.	There is currently no provision in this chapter regarding amendments, which means a simple majority vote from the Board of Supervisors is sufficient to amend the chapter. The voters' power to change the chapter would not be affected. In order to carry out this change, all provisions of the chapter need to be reauthorized, so the chapter is reprinted in the draft measure in its entirety. The text has not been changed unless noted in this chart.

3.415	Removes required mental states of "knowingly or negligently" from the penalty provision.	This chapter, which regulates permit consultants, attaches a prerequisite mental state to violations in order for those violations to result in administrative penalties. This standard is a departure from how administrative penalties are applied in other chapters: administrative penalties are typically applied on a strict liability basis in other chapters.
3.420	Adds a provision that allows the Commission to require electronic filing of public disclosures.	This chapter, which regulates permit consultants, does not currently contain explicit language stating that the Commission may require disclosures be made electronically. This new section on electronic filing replaces an outdated section on reports to be filed in 2016 and 2017 on the implementation of the chapter.

B. Regulation Amendments

The following table summarizes the provisions contained in the draft regulation amendments included as Attachment 2.

Table 2: Summary of Draft Regulation Amendments

Regulation Number	Summary	Objective
3.216(b)-2	Specifies that certain types of communication are not considered an attempt to influence.	Language added to specify that communications made a public forum or rally and those made via petition or social media shall not be deemed to be an attempt to influence an officer or employee in any legislative or administrative action for the purposes of section 3.216(b).
3.216(b)-5(a)	Narrows the exception for small non-cash gifts given on four occasions per year.	The amendment would narrow the existing exception to only permit officials to receive small non-cash gifts from a restricted if the gifts are routine office courtesies (like water, coffee, small snacks, or a pad of paper) that are offered during a site visit that is a necessary part of the official’s duties. This would still enable officials to accept small items that facilitate the execution of City duties without creating the opportunities for abuse that exist with the current exception. The current exception has been used to justify gifts, such as expensive parties, that clearly undermine the intent of the rule.
3.216(b)-5(b) [former number]	Removes exception for unlimited food and drink consumed in City offices.	The amendment would remove the exception that allows City officials to accept unlimited food and drinks from restricted sources as long as it is consumed in a City

		workplace. This exception clearly undermines the restricted source rule.
3.216(b)-5(b) [new number]	Clarifies the exception for free attendance at conferences.	The amendment specifies that officials may accept free attendance at a widely attended conference from a restricted source, but only if the restricted source is the organizer of the event. This would prevent abuse of the exception whereby a restricted source could purchase attendance to a conference that they are not organizing and give it to an official. This was not the intent of the exception.
3.216(b)-5 (d)—(f) [former numbers]	Removes exceptions for free meals from industry representatives.	The amendments would remove the exceptions that allow certain City officials to accept free meals from members of the financial, maritime, and aviation industry. These gifts undermine the effectiveness of the restricted source rule and are not justified by operational needs. Departments can and should expend their own funds to cover the costs of employee meals that are necessary in order to carry out City operations. Departments should not rely on restricted sources to cover such costs.
3.216(b)-5 (d)—(l) [new numbers]	Applies appropriate state gift exceptions to restricted source rule.	The amendments would apply certain state law gift exceptions to the restricted source rule. By creating a definition of <i>gift</i> in the Campaign & Governmental Conduct Code (see summary of ordinance provisions above), state exceptions would no longer be incorporated in their entirety. This is necessary to uphold the effectiveness of the rule. Instead, only the exceptions that are appropriate and do not undermine the effectiveness of the restricted source rule would be incorporated in the regulations. These are the state exceptions for: <ul style="list-style-type: none"> • informational material; • gifts that are returned, donated, or paid for; • gifts from family members; • campaign contributions and payments for campaign activities; • inheritance; • disaster relief; • free admission to event where official makes a speech; and • free admission to event where official performs a ceremonial role.
3.216(b)-5 (m)	Adds exemption to restricted source rule for attendance at certain nonprofit fundraisers.	This exemption would apply to a ticket provided by a nonprofit organization to a fundraiser event hosted by the nonprofit organization if the ticket is used by an official for whom attendance at the event is necessary to carry out the official's City duties and the official's department

		complies with the disclosure requirements contained in section 3.217 of the Code.
3.216(b)-5 (n)	Adds exemption to restricted source rule for attendance at certain entertainment events.	This exemption would apply to a ticket to an arts exhibit, performance, athletic event, or sporting event provided by an organization holding the exhibit, performance, or event if the ticket is used by an official for whom attendance at the exhibit or performance is necessary to carry out the official's City duties and the official's department complies with the disclosure requirements contained in section 3.217 of the Code.
3.216(b)-5 (o)	Adds exemption to restricted source rule for personalized plaques and trophies.	This exemption would apply personalized plaques or trophies valued at less than \$250, limited to one plaque or trophy, per calendar year, per restricted source.
3.216(b)-5	Relocates examples to relevant examples.	Currently, all examples appear at the end of regulation 3.216(b)-5. Each examples would instead directly follow the exception to which it corresponds.
3.216(b)-6	Exempts approvals, and applications for approval, that are solely ministerial from the definition of "doing business with the department."	Specifies that neither an approval nor the application for approval of a license, permit, or other entitlement for use shall be deemed "doing business with the department" if the approval of such item is solely ministerial, secretarial, manual, or clerical. A person seeking, obtaining, or possessing such a license, permit, or other entitlement for use is not a "restricted source" for purposes of section 3.216, solely because of the license, permit, or other entitlement for use.
3.216(b)-5; 3.216(c)-1	Changes <i>voluntary</i> to <i>unsolicited</i> .	The amendments use the word <i>unsolicited</i> in place of the word <i>voluntary</i> . The word is clearer and is defined to mean "not requested and [] given freely, without pressure or coercion." For gifts from subordinates, a gift is still unsolicited if an official other than the recipient requests a group of officials to make contributions to a group gift and the request "includes a statement that an employee may choose to contribute less or not at all."
3.216(c)-1 (b)(2)(B)(v); (b)(3)	Combines exception for occasions of <i>special personal significance</i> with exception for <i>occasions when gifts are traditionally given</i> .	The amendment would combine two existing exceptions. This would remove the ambiguity that exists around the concept of "occasions of special personal significance" by defining what those occasions are. It would also apply the \$25 limit that already applies to gifts given on occasions when gifts are traditionally given (such as holidays and birthdays). This would still allow subordinates to give small gifts to their supervisors to recognize births, adoptions, deaths, and marriages.
3.216(c)-1 (b)(2)(B)(xiv)	Removes exception for gifts from subordinate	The amendment removes the exception for gifts to a supervisor's family member, which is a potential work

	to supervisor's family member.	around that undermines the purposes of the subordinate gift rule.
3.216(c)-1 (a)(1)	Aligns restatement of subordinate gift rule with the code.	The regulation's current restatement of the subordinate gift rule does not align with the code. The amendment would ensure alignment.
3.216(c)-1 (b)(7) [new number]	Adds definition of subordinate officer.	Currently, the regulation only defines <i>subordinate employee</i> . However, the rule applies to both officers and employees. The amendment would create a definition of <i>subordinate officer</i> that mirrors the concept of <i>subordinate employee</i> .

ATTACHMENT 5

Proposed Revision to Ordinance Generated from the Meet and Confer Process

Amend Section 3.217(a) to eliminate personal liability for department heads who fail to disclose reportable payments to their departments.

SEC. 3.217. DISCLOSURE OF GIFTS TO THE CITY.

(a) Disclosure Requirement. Any department head whose City department receives any payment from a non-City source for which equal or greater consideration is not provided by the department must disclose the payment to the Ethics Commission. A department head who fails to timely report any such payment, or, if the department head has delegated the filing responsibility to a subordinate, whose subordinate fails to timely report any such payment, may be subject to discipline by the department head's appointing authority but shall not be subject to penalties under Section 3.242.

Regulation 3.216(b)-6 – License, permit, or other entitlement for use.

Notwithstanding the definition of "doing business with the department" contained in Article III, Chapter 2, neither an approval nor the application for approval of a license, permit, or other entitlement for use shall be deemed "doing business with the department" if the approval of such item is solely ministerial, secretarial, manual, or clerical.
