- **Start your Form 700 filing:**
 - In the "Filings to Complete" table, select the "check box" in the Create column next to "Fppc700 Annual" and click the "Start Selected Document" button.
 - If applicable you may **combine your Annual & Leaving Office Form 700** by selecting the "check box" in the rows for **both** filings **before** clicking the "Start Selected Document" button.
 - Your Form 700 cover page is pre-filled with the information entered when your account was created. Follow the on-screen prompts to complete the form and submit your statement.

- When you start a filing, the system retains the information you've entered when you log out. If you are unable to complete your filing in one sitting, be sure to log out of the system. When you are ready to resume your filing, log back in and click "Edit" next to the filing in the Filings to Complete table.
