Good morning Ethics Commissioners, My name is Ellen Lee Zhou (spell out)

"I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all.", born and unborn, vaccinated and unvaccinated, amen.

I was a public Social Worker for SF taxpayers funded government for almost 20 years. I was wrongfully terminated in 2022 due to not accepting the covid19 vaccine. Hundreds of Christians and Catholics were wrongfully terminated like me in 2021 and 2022. We still have 33 active lawsuits against unconstitutional vaccine mandates. We all want to come back to work. The democrat mayor, all 11 BOSs, city leaders and city attorney leaders purposely abuse public taxpayer funds, refuse to allow unvaccinated workers come back to work, wasting taxpayer money fighting unvaccinated workers in court, refuse workers come back to work. SF government has been running by a group of puppet masters that destroyed our safety, health, wealth and freedom.

I've lived and worked in San Francisco for more than 38 years. I was nominated to run for mayor in 2018 and 2019. Ethics Commission dept. has been discriminated me and retaliating me after I exposed corruption in SF. My 2019 campaign billboard was illegal removed by puppet masters. My billboard was about child trafficking and homeless scam. Ethics Com did nothing to stop election interference.

I am running for mayor again this year 2024. We have 13 mayoral candidates. But the criminals organized ongoing mayoral debates in difference neighborhood and lied to voters only five people running for mayor. It is election interference. I have been discriminated by democrat party leaders and democrat puppet masters, plus mockingbird fake & sick controlled media. The mayor's position is non-partisan. Ethics commission has the duty to investigate election interference.

I here today to demand you, the Ethics Commission dept. to investigate election interference and election fraud. I am a conservative Republican, a pro-life mother and a Family Social Worker. I am against illegal drugs and government corruption. Yes, I am a MAGA Republican supporting President Trump! I am running for San Francisco Mayor to make SF safe and clean. May God bless San Francisco. Thank you for your time. Prepared by Ellen Lee Zhou
