17	
18	SEC. 4.100. FINDINGS.
19	The City and County of San Francisco ("City") has a paramount interest in protecting
20	the integrity of its government institutions. To further this interest, individuals should be
	encouraged to report possible violations of laws, regulations, and rules governing the conduct
21	of City officers and employees, City contractors, and employees of City contractors.
22	This Chapter 1 fulfills the Charter's requirements for two City programs relating to
23	whistleblowers, as required by Charter Appendix Section F1.107. First, as required by the
24	Charter, the Office of the Controller has authority to receive and investigate whistleblower

complaints concerning deficiencies in the quality and delivery of City government services, wasteful and inefficient City government practices, misuse of City funds, and improper activities by City officers, employees, and contractors.

Second, as required by the Charter, this *ordinance Chapter* protects the confidentiality of whistleblowers, and protects City officers and employees from retaliation for filing whistleblower complaints or providing assistance with the investigation of such complaints. As set forth in this Chapter 1, the Ethics Commission has primary responsibility for ensuring such protections.

Third, consistent with the Charter responsibilities to maintain the confidentiality of whistleblowers, this Chapter requires the Controller to report to the Board of Supervisors the results of any investigation that concludes that a City department head or elected official engaged in misconduct, as specified in this Chapter 1. The Controller may only report to the Board of Supervisors the results of a whistleblower investigation that has concluded, except as provided in Charter Section 3.105.

17	Where the conduct that is the subject of the complaint may violate criminal law and any
18	civil or administrative law, statute, ordinance, or regulation, the Controller may take action on
19	the noncriminal aspects of the matter under this Section 4.107 even if a referral has been
20	made to another agency under this subsection (b).

that has jurisdiction over the matter.
