Below is 150 words by MS word count for inclusion in the Ethic Commission, August 8, 2025, Minutes Item #2 under Sunshine Ordinance Sec. 67.16 Minutes for my public comment.

Your agenda is improperly notified. You are missing the start time in your agenda, violating **AC. Section 67.7c** “The agenda **shall** specify the time and location of the regular meeting and shall be posted in a location that is freely accessible to members of the public”. **Brown Act 54954.2 (a) (1)** “The agenda **shall** specify the time and location of the regular meeting and shall be posted ... and on the local agency’s Internet Web site, if the local agency has one.”

AC Section 4.104a2. “Hold meetings open to the public and encourage the participation of interested persons. ..., any action taken at other than a public meeting shall be void.” Violate **AC 67.1a, Brown Act 54950, 54953a and b3, 54953.2, 54954.3a** allow public participation. The public may not correctly know time meeting to participate. You knowing is not the public.

All public access laws are important serve a purpose.
