Section 4. Preliminary Review of Complaints

~~B.~~A. Preliminary Review. Upon receipt of a sworn complaint, the Director of Enforcement will conduct a preliminary review of the complaint to determine whether there is reason to believe a violation of law may have occurred. This preliminary review may include reviewing documents, communicating with the complainant or respondent, and any other inquiry to determine whether a full investigation is warranted. If the Director of Enforcement determines there is reason to believe a violation of law has occurred, the Director of Enforcement will open an investigation.

~~C.~~B. Complaint Dismissal. If, based on the allegations and information contained in a complaint, and the Director of Enforcement's preliminary review, the Director of Enforcement determines that no violation of law has likely occurred, the Executive Director may dismiss the complaint. Reasons for dismissal include but are not limited to:

1. The complaint does not include enough information to support further investigation.
2. Credible evidence clearly refutes the allegation.
3. The allegations, if true, do not constitute a violation of law.
4. The complaint contains an expression of opinions, rather than specific allegations.
5. The allegations contained in the complaint are already under investigation, or already have been resolved, by the Commission or another law enforcement agency.
6. Dismissal, rather than initiating an investigation, would better serve the interest of justice.

~~D.~~C. Complaint Referral. D. **Complaint Withdrawal.** The Commission may continue to investigate a complaint even if the complainant withdraws it.

If a complainant desires further review, the complainant must follow the procedures set forth in Section 1094.5(a) of the California Code of Civil Procedure governing judicial review of any final administrative order or decision.

G. Reopening of a Case. Except for cases that have been resolved through a Stipulation or a Hearing on the Merits, including through a Default Order, the Director of Enforcement may reopen a prior dismissed or closed case only if:

1. Newly discovered material facts or evidence come to light;
2. The newly discovered facts or evidence were in the actual or constructive possession of the respondent and were fairly encompassed in requests for information or subpoenas issued to the respondent;
3. The Enforcement Division had no reasonable means to discover the newly discovered facts or evidence except through disclosure by respondent; and
4. The newly discovered facts or evidence, if available at the time of the original investigation, would have led to a finding of probable cause that a violation of law occurred.

H. Procedures for Reopening of a Case.

1. Notwithstanding the above, the Director of Enforcement may only reopen a case within the applicable statute of limitations pursuant to Section 14 of these regulations and conduct any additional investigation pursuant to Sections 5 through 10 herein.
2. All respondents shall be notified in writing within 30 calendar days of the reopening of a case.

Section 5. Investigation

A. Open Investigation. If, after a preliminary review of the complaint, the Director of Enforcement determines there is reason to believe a violation of law has occurred, then the Director of Enforcement will open an investigation into the allegations contained in the complaint.

1. Upon the Director of Enforcement's decision to open an investigation, the Director of Enforcement will immediately forward the complaint or information in its possession regarding the alleged violation to the District Attorney and City Attorney. Within 10 business days after receipt of the complaint, the District Attorney and City Attorney will inform the Director of Enforcement in writing regarding whether the District Attorney or City Attorney has initiated or intends to pursue an investigation of the matter.
2. Within 14 calendar days after receiving notification that neither the District Attorney nor City Attorney intends to pursue an investigation, the Director of Enforcement will notify in

writing, the complainant of the action, if any, the Commission has taken or plans to take on the complaint, together with the reasons for such action or inaction. If no decision has been made within 14 calendar days after receiving notification that neither the District Attorney nor City Attorney intends to pursue an investigation, the person who made the complaint will be notified of the reasons for the delay and will subsequently receive notification as provided above.

- B. Ex Parte Communication. Once an investigation is opened and until the Commission has made a final decision or order, whether by stipulation or otherwise, members of the Commission will not engage in oral or written communications with the parties or any member of the public outside of a Commission meeting, witness interview or examination, or settlement conference regarding the merits of an enforcement action.
- C. Subpoenas and Subpoenas Duces Tecum.
 - 1. Issuing Subpoenas. The Executive Director may issue subpoenas and *subpoenas duces tecum* on behalf of the Commission. A subpoena or *subpoena duces tecum* may not be issued unless the Executive Director finds that the person to be subpoenaed or the information to be requested in the *subpoena duces tecum* is relevant to a specific matter under investigation or that the person or entity to be subpoenaed controls relevant information.
 - 2. Notice Required. If a *subpoena duces tecum* seeks the production of either personal or financial records, the ~~Enforcement~~ Director of Enforcement will provide notice as required by California Government Code section 7460, *et seq.*
 - 3. Service. Subpoenas will be served at least 15 calendar days before the time required for attendance. *Subpoenas duces tecum* will be served as least 25 calendar days before the time required for attendance or production of the requested documents. Service must be made by delivering the subpoena or *subpoena duces tecum* as set forth in Section 2(F) herein.

3.4. Compliance.

- i. If the Director of Enforcement consents, any person subject to a *subpoena duces tecum* may satisfy the *subpoena duces tecum* by delivering the requested documents together with an affidavit in compliance with Section 1561 of the California Evidence Code.
- ii. If any person or entity refuses to comply with a subpoena or *subpoena duces tecum*, the Executive Director may ask the City Attorney to petition the San Francisco Superior Court for an order compelling compliance.
- iii. Withholding: The Director of Enforcement may bring a charge for withholding information, pursuant to Sections 1.170(f), 2.136(a), and 3.240(a) of the San Francisco Campaign & Governmental Conduct Code, in any case brought before the Commission if any person or entity knowingly and intentionally conceals or withholds information required to be provided by law. In addition to all other evidence demonstrating that a

respondent has knowingly and intentionally withheld information required to be provided by law, the failure to fully comply with a subpoena or subpoena *duces tecum* may provide support for the Director of Enforcement to bring additional charges for concealing or withholding information or for failure to cooperate with an investigation as required under Section 3.240(a). This provision shall also apply for any subpoena issued after a Probable Cause Determination, pursuant to Sections 9 and 10 herein.

4.5. Objections.

- i. Any person or entity served with a subpoena or *subpoena duces tecum* may object by filing written objections with the Executive Director at least 5 calendar days before the time required for attendance or production of the requested documents.
 - ii. The Executive Director will rule on the objections and issue a written order at least one calendar day before the time required for attendance or production of the requested documents. The Executive Director's decision is final, without prejudice to later adjudication in a withholding proceeding.
 - iii. Failure to file timely objections with the Executive Director waives all grounds for any objection.
 - iv. Any person or entity that files a motion to quash or modify a subpoena or *subpoena duces tecum* in Superior Court must inform the Executive Director in writing on the same day the motion is filed.
 - v. The filing of an objection to a subpoena or subpoena *duces tecum* does not, by itself, preclude a charge of withholding under this Section. Nothing in this Section limits the Commission's authority, in any subsequent adjudicative proceeding on a withholding charge, to consider the validity or reasonableness of any objections made to the subpoena in its determination of the charge.
- D. Confidentiality: Disclosure deemed Official Misconduct. The investigation will be conducted in a confidential manner. Records of any investigation will be considered confidential information to the extent permitted by state law. All investigative documents, including notes and memoranda, created prior to the ~~probable cause determination~~Probable Cause Determination, such as the complaint, will remain confidential. All investigative documents, including notes and memoranda, created by the Executive Director and ~~his or her staff after the probable cause determination~~Staff in support of the Probable Cause Determination shall be confidential, unless and until any such documents are introduced as evidence or as an exhibit for a ~~hearing~~Hearing on the ~~merits~~Merits, pursuant to Sections ~~87~~ and ~~910~~ herein. Any member or employee of the Commission or other City officer or employee who, prior to a determination concerning probable cause, discloses information about any preliminary investigation, except as necessary to conduct the investigation, will be subject to an administrative enforcement action and may be deemed guilty of official misconduct. The unauthorized release of confidential information will be sufficient grounds for the termination of the employee or removal of the commissioner responsible for such release. Notwithstanding the above, any materials or evidence provided to the Commission under a protective order or that is otherwise confidential or privileged under local, state, or federal law, shall not be publicly disclosed.

Place of Delivery. Whenever these regulations require delivery to the Commission, its members, or the Executive Director, delivery will be made at the Staff's office.

~~E. ~~Complaint~~Section 6. Case Closure

Cause for closure under this provision includes but is not limited to the ~~Enforcement~~ Director of Enforcement's finding that the violation was *de minimus*; further prosecution of the ~~complaint~~case would not further the purpose of the law; the provision of law at issue was struck down by a court of competent jurisdiction; or the respondent came into full compliance with a reporting obligation prior to the ~~Enforcement~~ Director of Enforcement's initiating an investigation. If the Executive Director concurs with the Director of Enforcement's recommendation, the ~~Executive~~ Director of
