IT IS SO ORDERED.

ARGEMIRA FLÓREZ -FENG, CHAIRPERSON
SAN FRANCISCO ETHICS COMMISSION

Exhibit A

I. Introduction

This matter was initiated under the Commission’s Streamlined Administrative Resolution Program (“SARP”)¹ as part of the annual post-filing review of the filing requirements that were due by April 1, 2025.

Respondent Janetta Johnson (“Respondent”) was appointed by the Board of Supervisors (“BOS”) as a member of the South of Market (“SOMA”) Community Stabilization Fund Advisory Committee (“the SOMA Committee”) on May 5, 2020, and continues to serve in this role.

This matter involves three types of violations, separated into three counts and described below:

- **Form 700:** Respondent failed to timely file three Statements of Economic Interests.
- **Trainings:** Respondent failed to timely complete and file the required Certificates of Ethics Training for two calendar years.
- **Participation while disqualified:** Respondent participated in one meeting while disqualified on three separate occasions for failing to complete Ethics training and file the Form 700 for the 2022 calendar year and failing to file the Form 700 and to complete Ethics training due in 2025 and 2026.

II. Description of Violations

The following tables summarize the relevant counts.

Count 1: Failure to file three Statements of Economic Interests (Form 700s)

Count	SARP tier	Filing	Due date	Date filed
1	1	2022 Annual Form 700	4/03/23	4/02/24
		2024 Annual Form 700	4/01/25	12/12/25
		2025 Annual Form 700	4/01/26	7/01/26

Count 2: Failure to complete training requirements

Count	SARP tier	Requirement	Reporting period	Due date	Date completed
2	1	Certificate of Ethics Training	2025 Calendar Year	4/01/25	1/05/26
		Certificate of Ethics Training	2026 Calendar Year	4/01/26	7/01/26

¹ SARP, which expanded the Commission’s fixed-penalty framework, was adopted in February 2021 and amended in March 2026 to promote accountability, incentivize prompt compliance, ensure consistent enforcement outcomes, and reduce time and resources required to resolve lower-complexity and lower-harm violations. The Commission’s regular administrative enforcement process generally results in a higher penalty that is proportional to the violation and includes a fuller description of the violation and surrounding events than matters resolved through the SARP. SARP stipulations apply standardized fine formulas and may provide summary descriptions of the violation at issue. Both processes require action by the Commission in a publicly noticed meeting.

Count 3: Participation and voting while disqualified

Count	SARP tier	Basis of disqualification	Disqualified period	Number of meetings attended while disqualified	Description of meetings in which Respondent engaged in prohibited participation
3	1	2022 Annual Form 700	4/03/23 – 4/02/24	1	During this meeting, Respondent engaged in prohibited participation with respect to a total of two agenda items. Among these agenda items, Respondent participated in discussions, voted to approve meeting minutes, and voted to extend the FY23-24 SoMa stabilization funded grants for an additional year. These contracts and grant agreements were valued at approximately \$890,000.
		2024 Annual Form 700 and Ethics Training Certification	4/01/25 – 1/05/26		
		2025 Annual Form 700 and Ethics Training Certification	4/01/26 – 7/01/26		

III. Specific SARP Eligibility Requirements

Respondent met SARP's general eligibility criteria and the specific eligibility criteria applicable to the violations at issue. Investigators also found no evidence that any of the sources of income identified on Respondent's forms had matters before the SOMA Committee during the relevant periods or that Respondent engaged in decisions that impacted her financial interests.

IV. Specific Financial Penalty Modifiers

SARP sets forth [scheduled penalties](#) that create a baseline which the Enforcement Division may reduce or increase based upon applicable mitigating or aggravating factors that apply in a given case.² The scheduled penalties are based on the number of violations and the amount of time it takes for the respondent to resolve the matter after being contacted by the Enforcement Division, including completion of necessary remedial actions.

Count 1: \$100 x three instances of failure to timely file an Annual Form 700³ = **\$300**

Count 2: \$100 x two instances of failure to timely complete and file the required Certificates of Ethics Training Forms⁴ = **\$200**

Count 3: \$100 for one meeting in which Respondent engaged in prohibited participation⁵ = **\$100**

Total Penalty: \$600

² Director of Enforcement Memo to the Ethics Commission, titled *Preliminary Outline for Revisions of Commission's Fixed Penalty Policy*, dated September 19, 2019.

³ The applicable penalty range under SARP Tier 1 is \$100 to \$349 for each late or non-filed Form 700.

⁴ The applicable penalty range under SARP Tier 1 is \$100 to \$349 for each late or non-filed trainings certification form.

⁵ The applicable penalty range under SARP Tier 1 is \$100 to \$349 for each meeting in which the respondent engaged in prohibited participation.
